The Town Manager will appoint an Evaluation Committee to review and evaluate the responsive responses. The highest ranked three (3) respondents will be short-listed on the basis of the Responses by the Evaluation Committee and may be called for oral presentations before the Evaluation Committee regarding their responses, approach to the Services, and ability to furnish the required Services. All Consultants and subconsultants in their teams shall be present at the assigned time for a 20-minute presentation followed by up to a 10-minute question-and-answer session. The Consultants are encouraged to be represented only by the Project Manager and the key staff identified in the Response. Additional details on the oral presentations may be provided to the short-listed Consultants. The Evaluation Committee shall rank the respondents and provide its recommendations to the Town Manager.

After short-listing of the top three (3) respondents deemed qualified by the Evaluation Committee, the Town Manager will present a recommendation to the Town Commission. The Town Commission may select a Consultant that it determines is the most qualified and authorize the Town Manager to proceed with negotiations and execute a professional services agreement with the selected Consultant. The Town Commission shall have the final authority to select the Consultant to proceed with negotiations.

The Town reserves the right to reject any or all proposals, reject a proposal, which is in any way incomplete, or irregular, re-bid the entire solicitation or enter into agreements with more than one respondent.

2.5 PROCESS OF NEGOTIATION

The Town Manager or designee(s) shall negotiate an agreement with the selected firm at compensation that the Town Manager, in his/her sole discretion, determines is fair, competitive, and reasonable. Should the Town Manager be unable to negotiate a satisfactory agreement with the selected firm at a fee or price the Town Manager determines to be fair, competitive, and reasonable, negotiations with that firm may be terminated. The Town Manager or designee(s) shall then undertake negotiations with the next highest-ranked firm, and, if negotiations are terminated, shall continue to each next highest-ranked firm until a satisfactory agreement may be negotiated. Any award shall be made by the Town Commission and subject to execution of an agreement in form and substance approved by the Town Attorney.

Public Entity Crimes Affidavit

I understand that a “public entity crime” as defined in Paragraph 287.133(1)(g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or of the United States, including but not limited to, any bid or contract for goods or services to be provided to any public entity or an agency or political subdivision of any other state or of the United States and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentations.

I understand that “convicted” or “conviction” as defined in Paragraph 287.133(1)(b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, non-jury trial, or entry of a plea of guilty or nolo contendere.

I understand that an “affiliate” as defined in Paragraph 287.133(1)(a), Florida Statutes, means:

1. A predecessor or successor of a person convicted of a public entity crime; or
2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term “affiliate” includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in the management of an affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not for fair market value under an arm’s length agreement, shall be a prima facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

I understand that a “person” as defined in Paragraph 287.133(1)(e), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter into a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term “person” includes those officers, directors, executives, and partners, shareholders, employees, members, and agents who are active in management of an entity.

Based on information and belief, the statement, which I have marked below, is true in relations to the entity submitting this sworn statement.

(INDICATE WHICH STATEMENT APPLIES.)

Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with ad convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been a subsequent proceeding before a Hearing Officer of the State of Florida , Division of Administrative Hearings and the final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list (attach a copy of the final order).

I understand that the submission of this form to the contracting officer for the public entity identified in paragraph 1 above is for that public entity only and that this form is valid through December 31 of the calendar year in which it is filed. I also understand that I am required to inform the public entity prior to entering into a contract in excess of the threshold amount provided in Section 287.017, Florida Statutes for category two of any change in the information contained in this form.
