## **PREAMBLE**

THIS AGREEMENT is entered into by the Town of Surfside, Florida, hereinafter referred to as the "Employer" or "Town", and the Florida State Lodge Fraternal Order of Police, hereinafter referred to as the "FOP" or "Union", for the purpose of promoting harmonious relations between the Town and the Union, to establish an orderly and peaceful procedure to settle differences which might arise and to set forth the basic and full agreement between the parties concerning rates of pay, wages, hours of work and other conditions of employment.

## ARTICLE 1.

### RECOGNITION, STRIKES AND LOCKOUTS

1.1 The Town hereby recognizes the FOP as the sole and exclusive collective bargaining agent as to wages, hours and all other terms and conditions of employment for the following bargaining unit as certified by the Public Employees Relations Commission (PERC), Certification No. 1180, and Order No. RC-97-032:

INCLUDED: All employees in the classifications of Sergeant, Police Officer, and Police Dispatcher.

EXCLUDED: Chief of Police, Assistant Chief, Lieutenant, and all other employees of the Town of Surfside.

1.1.1. Any changes in the bargaining unit shall only be made upon proper application to PERC and/or an appropriate court of competent jurisdiction.

1.2 There will be no strikes, work stoppages, slowdowns, boycotts, concerted failure, or refusal to perform assigned work or other actions contained within the definition of a strike under Section 447.203(6), Florida Statutes, by the employees covered under this Agreement, and there will be no lockout by the Town for the duration of this Agreement. The FOP supports the Town fully in maintaining efficient operations. For the purposes of this clause, claimed illness by one-third (1/3) or more of the bargaining unit employees eligible for duty followed by claimed illness on the part of one-third (1/3) or more of those contacted as replacement personnel shall constitute prima facie evidence of concerted failure or refusal to perform.

1.2.1 Any employee who participates in or promotes a strike, work stoppage, slowdown, boycott, concerted failure or refusal to perform assigned work or any other actions contained within the definition of a strike under Section 447.203(6); Florida Statutes may be

disciplined or discharged by the Town, and the sole and exclusive jurisdiction to review such discipline or discharge shall be determined by the Town Manager.

1.2.2 The parties agree that the Town is responsible for and engaged in activities which are the basis of the health, safety and welfare of the citizens of the Town and the public at large. In the event of any violation of this Article by either a Town employee or a Union employee, official or representative, the Town shall be entitled to seek and obtain immediate injunctive relief in a court of competent jurisdiction and utilize any other legal remedies provided for in Section 447.507, Florida Statutes.

1.2.3 The Union, its officers and representatives agree that it is their continuing obligation and responsibility to maintain compliance with this Article and the strike prohibitions contained in Section 447.505, Florida Statutes and the Constitution of the State of Florida, Article I, Section 6, including the responsibility to remain at work and to publicly disavow the strike during any interruption which may be initiated by other employees covered by this Agreement, and to encourage and direct other employees that are violating this Article to return to work.

## ARTICLE 2.

### MANAGEMENT RIGHTS

2.1 The Town has and will continue to retain, whether exercised or not, the right to operate, manage and direct its operations and all, powers and authority, not officially relinquished, abridged or limited by the express provisions of this Agreement. The Town shall have the sole, unilateral and unquestioned right, responsibility and prerogative to manage the affairs of the Town and direct the work forces, including, but not limited to, the following:

2.1.1 To determine the acquisition, care, maintenance and operation of equipment and property used for and on behalf of the purposes of the Town;

2.1.2 To establish or continue the mission, purpose, objectives, policies, practices and procedure for the conduct of the Town business, operation of the Police Department and other departments, and, from time to time, to change or abolish such policies, practices or procedures;

2.1.4 To select, determine and assign the number and types of employees required to perform the Town's operations, to meet the needs of the Town and the Department;

2.1.5 To employ, transfer, promote, demote, layoff, discipline, terminate, or otherwise relieve employees from duty for lack of work or for any legitimate reason when it shall be in the best interest of the Town or the Department;

2.1.6 To prescribe and enforce reasonable rules and regulations for the maintenance of ethical and professional standards, and for the performance of work, services to be offered to the public, control and discretion over the operation of the Police Department and its employees, the regulation of off-duty law enforcement duties for non-municipal employers and outside employment which could cause real or perceived conflicts of interest, or conduct which brings the Department real or perceived harm in accordance with the requirements of the Town, provided such rules and regulations are made known in a reasonable manner to the employees affected by them;

2.1.7 To insure that the incidental police duties connected with departmental operations, whether enumerated in job descriptions or not, shall be performed by employees;

2.1.8 To establish contracts or subcontracts for municipal operations, or Mutual Aid Agreements provided that this right shall not be used for the purpose or intention of undermining the union or of discriminating against its members. All law enforcement work customarily performed by the employees of the bargaining unit shall be continued, except for exigent circumstances, to be so performed unless in the sole judgment of the Town it can be done more economically or expeditiously otherwise. The above rights, responsibilities and prerogatives are inherent in the Town Commission and the Town Manager, by virtue of Statutory and Charter provisions and are not subject to delegations in whole or in part. Such rights may not be subject to review or determination in any grievance or arbitration proceedings, but the manner of exercise of such rights may be subject to the grievance procedure in this Agreement;

2.2 The Union and the Town jointly recognizing the need to perform maximum municipal services at minimum cost, and the difficult problems facing the Town, hereby agree that the interest of both employee and the Town will best be served by attaining maximum

The FOP agrees that the efforts of all employees are required to achieve these objectives and will cooperate to this end.

2.3 The Town shall provide the Union written notice of its intent to subcontract law enforcement services. In the event that law enforcement services are subcontracted by the Town, the Town shall use its best efforts to have the subcontractor employ existing bargaining unit employees.

## ARTICLE 5.

### UNION REPRESENTATIVES

5.1 Two (2) members of the Union shall be granted time off without loss of pay up to as much time that is needed to attend the negotiating sessions, mutually set, to renegotiate this Agreement.

5.2 The Town agrees to allow the Union and its representatives reasonable access to the Town Hall for the conduct of Union business provided that a room is available and the Union provides the Town Manager with reasonable written notice prior to such use.

5.3 The Town will permit accredited representatives of the Union, whether state, regional or national, to have reasonable access to the premises of the Town at any time during working hours to conduct Union business with individual members, with prior approval of the Chief of Police, if such visits will not disrupt normal work production. No Union related activity, meeting, solicitation of other employees, distribution of literature or business shall be discussed with on-duty personnel, or within Town facilities without prior written approval of the Chief of Police or his/her designee on a case by case basis so long as such business does not disrupt the work place.

6.2 The Town will furnish the Union with sufficient bulletin board space for Union notices in the mailroom. The bulletin board shall be provided primarily for employee information and internal communications and not for the primary purpose of communicating with the general public. The Union shall only post written material or any material that is in good taste on such bulletin board. ## ARTICLE 7.

### CONFIDENTIAL RECORDS/PERSONNEL FILES/LOCKER INSPECTION

7.1 Except as otherwise required by law, or pursuant to Court order or the request of an appropriate governmental agency, the home address, telephone number and any photographs of a law enforcement officer or his/her Police Department personnel file shall be kept confidential and shall not be released to anyone without the consent of the employee, except where a photo identification of employee(s) may be required for a formal complaint or Internal Affairs investigation. If, however, the Town believes it is following the state law in good faith, or is acting on advice of the Town Attorney, the actions taken by the Town in connection with this section shall not be subject to arbitration.

7.2 It shall be the right of any employee to inspect and copy his/her Police Department personnel record, and such shall be available for their inspection during normal office hours.

7.3 Portions of personnel records which are exempt from inspection by state or federal law shall be kept confidential and only appropriate Town employees having an official need to know shall be granted access to such records.

7.4 The Town agrees to allow an employee, within thirty (30) days of the date that a document is placed in his/her personnel file, to have included in their personnel file a written and signed refutation, based upon facts, (including signed eyewitness statements) of any material the member considers to be detrimental. Unless exempted under Chapter 119, Florida Statutes, the refutation is a public record subject to the Public Records Act.

7.5 All complaints, reprimands, other records of disciplinary actions, and all other disparaging items against each employee shall not be placed in an employee's personnel file until the employee has received a copy in advance. Failure by the Town to comply with this shall be grievable.

7.6 The Town retains the right to inspect and search issued property and equipment and all Town property. Whenever possible, the employee should be present when a personal locker is entered. If the employee is not present, the locker should be entered by a person with proper authority and be witnessed by another employee. The person entering the locker will complete a simple form in duplicate which states the date, time, name of persons entering locker, name of person assigned locker, and reason for such action. One copy shall be left in the locker and the other shall go to the departmental files, after review by the Chief of Police, who shall initial the form.

## ARTICLE 8.

### SENIORITY AND LAYOFF

8.1 Seniority shall consist of full-time active continuous accumulated paid service with the Department. Department Seniority shall be computed from the date of appointment. However, Seniority in rank shall always supersede seniority in service for purposes of benefits or entitlements under this contract. Seniority shall accumulate during absences because of vacation, military leave or other authorized leave. Seniority will not accrue for time an employee is relieved of duty without pay, suspended, and on unpaid leave of absence. Such seniority shall govern the following:

8.1.1 In the event of a layoff for budgetary reasons, employees shall be laid off in the inverse order of their seniority in their rank. Any employee to be laid off who has advanced to a rank above police officer shall be given a position in a lower rank according to his/her total seniority with the Department. The Town Manager has the right to deviate from this procedure to retain employees with special skills or capabilities essential to the Town.

8.1.2 Employees shall be called back from layoffs according to the seniority in the classification from which the employee was laid off. No new employees shall be hired in any classification until all employees on layoff status on the callback list in that classification have had an opportunity to return to work. Employees will be notified by certified mail with delivery confirmation to their home address of record and shall be given twenty-one (21) calendar days to return to work, or be stricken from the list. An employee who has not been stricken from the list will be kept on the callback list for one (1) year. After this period, the Town will no longer be obligated to request that this employee be returned to Town employment.

8.2 Selection of days off shall be by seniority provided the Town's operational needs have been satisfied. Within ten (10) business days of an employee's request to change or modify the employee's selected days off, the Town shall provide the employee with a written response to the employee's request.

8.3 The Chief of Police shall determine how many employee(s) the Town needs for each shift assignment. Selection of shift assignments shall be by seniority only for those officers with full duty status at the time of shift bid provided the Town's operational needs have been satisfied. Officers not on full duty status must wait until next shift bid for seniority to be considered. Within ten (10) business days of an employee's request to change or modify the employee's shift assignment, the Town shall provide the employee with a written response to the employee's request.

## ARTICLE 9.

### RIGHTS OF EMPLOYEES IN INTERNAL INVESTIGATIONS

9.1 The following are the rights of employees subject to an internal investigation:

9.1.1 The Internal Affairs investigator will keep employees informed as to the nature of the investigation when they are questioned or interviewed concerning a complaint or allegation and to inform them if they are the subject of the investigation or a witness prior to any interview. Employees who are the subject of an investigation will be informed before being required to answer questions orally in a formal Internal Affairs investigation that they have the right to have legal counsel and/or a FOP representative present.

9.1.2 Prior to any sworn statement being taken from a law enforcement officer, the officer under investigation shall be informed in writing of the nature of the investigation and the name of the complainants immediately prior to the commencement of the proceedings.

9.1.3 Any disciplinary action initiated against an officer must be specific and clearly drawn and state a violation of law, Town rules and regulations, and/or Departmental rules, regulations and orders.

9.1.4 The Town agrees to promptly furnish any employee with two (2) copies of any disciplinary action report against him/her prior to disciplinary action being taken against him/her.

9.1.5 The employee may, if he/she so requests, receive a copy of his/her written or recorded statement.

9.1.6 The employee who is the subject of a complaint or allegation shall be notified in writing of the disposition upon the conclusion of the investigation, and final decision by the Chief of Police within ten (10) working days of the date on which the investigation is concluded and the final decision is made.

9.1.7 The written Internal Affairs Investigation shall include a finding of facts, and a conclusion, a copy of which shall be provided to the employee concerned prior to any disciplinary action; or if none, then within thirty (30) days.

9.1.8 In cases where management chooses to suspend or relieve an employee from duty, who has not been charged criminally pending an investigation or other administrative action, the employee will remain on full salary allowance and shall not lose any benefits during this period of time.

9.1.9 The Chief of Police upon review by the Town Manager, may immediately suspend an employee without pay and benefits who has been indicted by any grand jury or upon criminal charges being filed against him/her by any prosecuting official.

9.1.10 Except when an employee has been arrested or indicted or charged by a prosecuting official, the Department, on its own initiative, shall not release a photograph or home address of an employee under investigation without the employee's written permission and the approval of the Town Manager.

9.1.11 No employee shall be required to submit to any device designed to measure the truthfulness of his/her responses during questioning.

9.1.12 Nothing in this Article shall apply to situations where an employee is requested to submit and/or clarify a written incident or activity report as part of his/her routine duties.

## ARTICLE 10.

11.5.5 The parties acknowledge that the Internal Revenue Service (the IRS) is auditing the Town and reviewing the Town's take home vehicle taxation policy. If the IRS determines that the take home vehicle policy has any negative tax implication with the Town or that it is not in compliance with IRS rules and regulations, the parties agree that this Article may be re-opened specifically to address any negative tax implications upon the request of the Town no later than 30 days after the Internal Revenue Service's determination.

11.6 Vehicles determined by the Town to be unsafe to drive will be taken out of service.

## ARTICLE 12.

An employee whose test does not meet the FDLE-CJSTC standard shall receive remedial firearms training and be allowed to retest within thirty (30) days from the date of the original test.

Any promotional testing for such vacancy shall be completed within one hundred and twenty (120) days from the date on which the Town Manager determines that such promotional vacancy exists.

13.2 The Town will announce sergeant examinations at least thirty (30) days in advance of said examinations. 15.5 No employee shall be disciplined without just cause.

15.6 Effective upon the execution of this Agreement, grievances shall be processed in accordance with the following procedures set forth below.

Failure of the Town to respond to the grievance within the time limits set forth below shall entitle the employee or union to proceed to the next step in the grievance process. The time limits may be extended by mutual written agreement.

The Town Manager shall meet with the employee and/or the Union representative within ten (10) working days. The Town Manager shall respond in writing ten (10) working days from the date of the meeting.

Step 3: For grievances concerning interpretations of this Agreement, terminations, suspensions, and employee demotions, the Union may appeal the Town Manager's decision at Step 2 by submitting a written demand for arbitration to the Town Manager no later than ten (10) working days after the rendering of the Town Manager's decision. It is the Union's responsibility to request an arbitration panel under Section 15.7.2 below, within ten (10) days thereafter. The remaining name on the FMCS list will be the mutually selected arbitrator.

15.7.3 Powers of the Arbitrator: The arbitrator's decision shall be in writing and shall set forth the arbitrator's opinion and conclusion on the issues submitted. The arbitrator shall limit his/her decisions to the application and interpretation of the disputed provisions of the Agreement, and shall not be such as to directly or indirectly cause modifications, amendments, additions to or subtractions from the Agreement.

27.6 The parties agree to be bound by the Drug-Free Workplace Act as set forth in Chapter 440 and Chapter 112 of the Florida Statutes, and the Drug-Free Workplace Standards promulgated by the Agency for Health Care Administration.

27.7 All tests for the presence of illegal drugs shall be conducted using recognized technologies. In the event an employee's initial test results are positive (i.e., indicate the presence of an illegal drug), a second test will be conducted utilizing a different procedure, the Gas Chromatography/mass Spectrometry (G.C.M.S.) except that alcohol will be confirmed using Gas Chromatography testing method. A certified Medical Review Officer (MRO) who will be a medical professional chosen by the Town will review all negative and confirmed positive laboratory results. The MRO for the Town will be designated by Mt. Sinai Medical Center Occupational Health Department or an alternate as may be determined by the Town. Confirmed positive results will only be communicated to the Town's Human Resources Coordinator after the MRO has ascertained that personal prescriptions or other legal substances do not account for the laboratory findings. Investigations may include, as appropriate, telephone contact with the

employee and any prescribing physician. Employees may consult the Town appointed MRO concerning drugs and/or drug groups that may be tested for under this procedure.

Employees may contact the Town's MRO to ask questions concerning prescribed medications they are taking for clarification purposes involving fitness for duty assessments. The standards to be used for employee drug testing are as established by Florida Administrative Code Rules 59A-24 and 11B-27.

An employee will be considered to test positive for alcohol at the level equal to or exceeding 0.04g%. Other drugs and substances listed in Schedule I through V the Controlled Substance Act, 21 U.S.C. 812 may be tested for on behalf of the Town. In any event, they will be tested at levels according to generally accepted toxicology standards.

Copies of the test results shall be made available to the employee, upon the employee's request, at the Town Police Station within twelve (12) hours after the Town has received the test results. Additionally, if the employee so requests, within twelve (12) hours after the test results have been made available, he/she shall be given a sample of the specimen tested.

27.8 It is understood and agreed that the employees in the bargaining unit represented by the FOP are prohibited from using illegal drugs on or off duty. "Illegal drugs" means any controlled substance as defined in the Drug-Free Workplace Standards Act and, not used in accordance with a lawful prescription.

27.9 The results of such tests shall be handled as if part of an internal affairs investigation. The taking of a blood, hair or urine specimen from an employee does not

constitute an interrogation within the meaning of Section 112.532, etc., Florida Statutes, unless questions are asked at the time the blood alcohol test or urine specimen is taken.

The pension multiplier for creditable service rendered on or after October 1, 2006, shall be equal to three and one-half percent (3.5%) of the final average monthly compensation multiplied by the number of years of creditable service rendered on or after October 1, 2006.

31.1.5 At a three percent (3%) multiplier, the maximum total annuity payable to a police officer shall be seventy-five percent (75%) of the employee's highest average annual compensation for any three years within the last ten years. 31.1.10 The Town will allow eligible members to buy-back applicable service to the pension system for sworn employees up to a maximum of six (6) years combined prior law enforcement service for a municipal agency within the United States and the U.S. Military Service. **DEFERRED RETIREMENT OPTION PROGRAM**

The Town agrees to establish a Deferred Retirement Option Program ("DROP") for members of the Town's pension plan who are either sworn law enforcement officers or dispatchers as follows:

A. A sworn law enforcement officer or dispatcher member of the Plan who reaches normal retirement age shall be eligible to participate in the DROP ("Eligible Member"). An Eligible Member may participate in the DROP for a maximum of sixty (60) months from the date the member reaches his or her earliest normal retirement date. Anything herein to the contrary notwithstanding, if an Eligible Member has reached his or her normal retirement date on or before the date the DROP plan is implemented, then the Eligible Member shall have sixty (60) days from the date the DROP plan is implemented to elect in writing to participate in the DROP for the maximum DROP participation period of sixty (60) months.

B. An Eligible Member may elect to become a participant in the DROP ("Participant") with thirty (30) days advance written notice to the City during the applicable DROP period; however, in no event shall the DROP period be extended beyond the sixty (60) months from the date the sworn law enforcement or dispatcher member is first eligible to participate in the DROP. As a condition of participating in the DROP, the Eligible Member must agree to terminate Town employment at the conclusion of the DROP period and must submit a letter of resignation to the Town, which letter shall be coupled with an interest and shall be irrevocable, prior to entering the DROP.

C. An Eligible Member may participate in the DROP only once and, after commencement of DROP participation, he or she shall never have the right to be a member of the Plan again.

D. A Participant may elect to terminate DROP participation and Town employment earlier than the maximum DROP participation period by providing thirty (30) days advance written notice to the Town and the Pension Board.

E. Participants will be subject to the same employment standards and policies that are applicable to Town employees who are not DROP participants. Participation in the DROP is not a guarantee of employment with the Town. Participation in the DROP will end if the Town terminates the Participant for any reason.

F. Upon the effective date of the Eligible Member's entry into the DROP, the Participant will be considered retired for purposes of the Plan and membership in the Plan shall be terminated. No further member contributions shall be required after the Participant enters the DROP. Compensation and creditable service shall remain as they existed on the effective date of the Eligible Member's commencement of participation in the DROP. The monthly service retirement allowance that would have been payable had the Eligible Member instead elected to cease Town employment and receive retirement benefits shall be paid into the Participant's DROP account.

G. During the DROP participation period, the Participant's monthly service retirement allowance will be paid into the Participant's DROP account. After each fiscal quarter, the average daily balance of the Participant's DROP account shall be credited or debited at a rate equal to the actual net investment return realized by the Plan for that quarter. "Net investment

return” for purposes of this paragraph is the total return on the assets in which the participant’s DROP account is invested by the Pension Board net of brokerage commissions, transaction costs, investment management fees and other investment-related charges.

H. If a Participant does not terminate Town employment at the end of the maximum DROP participation period, no benefit payments will be made either to the Participant’s DROP account or to the Participant until the Participant terminates his or her employment with the Town. In addition, for the duration of employment beyond the end of the maximum DROP participation period, the Participant’s DROP account shall be debited with any negative net investment returns but shall not be credited with any positive net investment returns.

I. Within thirty (30) days following the Participant’s termination of the employment or death, the Participant’s entire DROP account balance shall be distributed to the Participant (or in the event of the death, to the Participant’s designated beneficiary or estate) in a cash lump sum, unless the Participant elects to have all or any portion of an eligible rollover distribution paid directly to an eligible retirement plan specified by the Participant. Regardless of the option selected by the Participant, the Pension Board has the right to accelerate or defer payments to comply with the Internal Revenue Code. The DROP is intended to comply with the Internal Revenue Code and the Pension Board shall take no action which would jeopardize the tax qualification of the Plan.

J. DROP payments to a beneficiary shall be in addition to retirement benefits payable under any optional form of retirement benefit elected by the Participant.

K. All benefits payable under the DROP shall be paid only from the assets of the DROP, and neither the Town nor the Pension Board shall have duty or liability to furnish the DROP with any funds, securities or other assets except to the extent required by applicable law.

L. The Pension Board is authorized to adopt any additional rules necessary for proper administration of the DROP.
