

RESOLUTION NO. 14 - 2264

A RESOLUTION OF THE TOWN COMMISSION FOR THE TOWN OF SURFSIDE, FLORIDA, APPROVING THE GROUP HEALTH AND DENTAL PLAN WITH UNITED HEALTHCARE PLAN AND TERM LIFE INSURANCE, ACCIDENTAL DEATH, SHORT TERM DISABILILTY, AND LONG TERM DISABILITY WITH MUTUAL OF OMAHA (“THE PROVIDERS”); PROVIDING FOR AUTHORIZATION; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, the Town Commission of the Town of Surfside, Florida (“The Town”) on October 8, 2013 by Resolution No. 13-2197 retained Adams Benefit to become agent of record and secure and analyze the best proposals from competitive health care and other benefit providers for the Town of Surfside employees every year; and

WHEREAS, this task has been completed and the Town desires to continue to engage and renew with United Healthcare and Mutual of Omaha (“The Providers”) to arrange for the delivery of health and other benefits for Fiscal Year 2014/2015, for qualified Town employees, and

WHEREAS, the Town Commission believes that it is in the best interest of the Town to accept the proposals of The Providers attached hereto as Attachment “A”.

NOW THEREFORE, BE IT RESOLVED BY THE TOWN COMMISSION OF THE TOWN OF SURFSIDE, FLORIDA, AS FOLLOWS:

Section 1. Recitals. The above and foregoing recitals are true and correct and are incorporated herein by reference.

Section 2. Authorization. The Town Commission hereby authorizes the Town Manager to enter into an agreement with United Healthcare and Mutual of Omaha for group health and other benefits, based on the terms of the proposals attached hereto as Attachment “A”.

Section 3. Implementation. The Town Manager and the Town Attorney are hereby authorized to take any and all action necessary to implement this Resolution in accordance with the terms and conditions of The Providers attached hereto as Attachment “A”.

Section 4. Effective Date. That this Resolution shall be effective immediately upon adoption.

PASSED and **ADOPTED** on this 9th day of September 2014.

Motion by Commissioner Karukin, second by Vice Mayor Tourgeman Commissioner

YOUR BENEFITS Benefit Summary

Florida - Choice Plus
HSA - 2000/90% Plan 5Q3

We know that when people know more about their health and health care, they can make better informed health care decisions. We want to help you understand more about your health care and the resources that are available to you.

- **myuhc.com®** – Take advantage of easy, time-saving online tools. You can check your eligibility, benefits, claims, claim payments, search for a doctor and hospital and much, much more.
- **24-hour nurse support** – A nurse is a phone call away and you have other health resources available 24-hours a day, 7 days a week to provide you with information that can help you make informed decisions. Just call the number on the back of your ID card.
- **Customer Care telephone support** – Need more help? Call a customer care professional using the toll-free number on the back of your ID card. Get answers to your benefit questions or receive help looking for a doctor or hospital.

PLAN HIGHLIGHTS

| Types of Coverage | Network Benefits | Non-Network Benefits |
|--|------------------|----------------------|
| Annual Deductible - Combined Medical and Pharmacy | | |
| Single Coverage Deductible | \$2,000 per year | \$5,000 per year |
| Family Coverage Deductible | \$4,000 per year | \$10,000 per year |

> No one in the family is eligible for benefits until the family coverage deductible is met.

| | | |
|--|------------------|-------------------|
| Out-of-Pocket Maximum - Combined Medical and Pharmacy | | |
| Single Coverage Out-of-Pocket Maximum | \$4,000 per year | \$10,000 per year |
| Family Coverage Out-of-Pocket Maximum | \$8,000 per year | \$20,000 per year |

> Copayments, Coinsurance and Deductibles accumulate towards the Out-of-Pocket Maximum.

> If more than one person in a family is covered under the Policy, the single Out-of-Pocket Maximum stated above does not apply.

This Benefit Summary is intended only to highlight your Benefits and should not be relied upon to fully determine your coverage. If this Benefit Summary conflicts in any way with the Certificate of Coverage (COC), Riders, and/or Amendments, those documents shall prevail. It is recommended that you review these documents for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

This Benefit Summary is intended only to highlight your Benefits and should not be relied upon to fully determine your coverage. If this Benefit Summary conflicts in any way with the Certificate of Coverage (COC), Riders, and/or Amendments, those documents shall prevail. It is recommended that you review these documents for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

EXCLUSIONS

It is recommended that you review your COC, Amendments and Riders for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

Alternative Treatments

Acupressure; acupuncture; aromatherapy; hypnosis; massage therapy; rolfing; art therapy, music therapy, dance therapy, horseback therapy; and other forms of alternative treatment as defined by the National Center for Complementary and Alternative Medicine (NCCAM) of the National Institutes of Health. This exclusion does not apply to Manipulative Treatment and non-manipulative osteopathic care for which Benefits are provided as described in Section 1 of the COC.

Dental

Dental care (which includes dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia). This exclusion does not apply to Benefits as described under Bones or Joints of the Jaw and Facial Region and Dental Services – Anesthesia and Hospitalization in Section 1 of the COC. This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services – Accident Only in Section 1 of the COC. This exclusion does not apply to dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition for which Benefits are available under the Policy, limited to: Transplant preparation; prior to initiation of immunosuppressive drugs; the direct treatment of acute traumatic injury, cancer or cleft palate. Dental care that is required to treat the effects of a medical condition, but that is not necessary to directly treat the medical condition, is excluded. Examples include treatment of dental caries resulting from dry mouth after radiation treatment or as a result of medication. Endodontics, periodontal surgery and restorative treatment are excluded. Preventive care, diagnosis, treatment of or related to the teeth, jawbones or gums. Examples include: extraction, restoration and replacement of teeth; medical or surgical treatments of dental conditions; and services to improve dental clinical outcomes. This exclusion does not apply to dental services for which Benefits are provided as described under Bones or Joints of the Jaw and Facial Region and Cleft Lip/Cleft Palate in Section 1 of the COC. This exclusion does not apply to accidental-related dental services for which Benefits are provided as described under Dental Services – Accidental Only in Section 1 of the COC. Dental implants, bone grafts and other implant-related procedures. This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services – Accident Only in Section 1 of the COC. Dental braces (orthodontics). Treatment of congenitally missing, malpositioned, or supernumerary teeth, even if part of a Congenital Anomaly. This exclusion does not apply to dental services for which Benefits are provided as described under Cleft Lip/Cleft Palate in Section 1 of the COC.

Devices, Appliances and Prosthetics

Devices used specifically as safety items or to affect performance in sports-related activities. Orthotic appliances that straighten or re-shape a body part. Examples include foot orthotics and some types of braces, including over-the-counter orthotic braces. Cranial banding. The following items are excluded, even if prescribed by a Physician: blood pressure cuff/monitor; enuresis alarm; non-wearable external defibrillator; trusses and ultrasonic nebulizers. Devices and computers to assist in communication and speech except for speech aid devices and tracheo-esophageal voice devices for which Benefits are provided as described under Durable Medical Equipment in Section 1 of the COC. Oral appliances for snoring. Repairs to prosthetic devices due to misuse, malicious damage or gross neglect. Replacement of prosthetic devices due to misuse, malicious damage or gross neglect or to replace lost or stolen items.

Drugs

Prescription drug products for outpatient use that are filled by a prescription order or refill. Self-injectable medications. This exclusion does not apply to medications which, due to their characteristics (as determined by us), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional in an outpatient setting. This exclusion does not apply to Benefits as described under Diabetes Services in Section 1 of the COC. Non-injectable medications given in a Physician's office. This exclusion does not apply to non-injectable medications that are required in an Emergency and consumed in the Physician's office. Over-the-counter drugs and treatments. Growth hormone therapy.

Experimental, Investigational or Unproven Services

Experimental or Investigational and Unproven Services and all services related to Experimental or Investigational and Unproven Services are excluded. The fact that an Experimental or Investigational or Unproven Service, treatment, device or pharmacological regimen is the only available treatment for a particular condition will not result in Benefits if the procedure is considered to be Experimental or Investigational or Unproven in the treatment of that particular condition. This exclusion does not apply to medically appropriate medications prescribed for the treatment of cancer. The drug must be recognized for the treatment of that indication, and published within a standard reference compendium or recommended in medical literature. This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in Section 1 of the COC.

Foot Care

Routine foot care. Examples include the cutting or removal of corns and calluses. This exclusion does not apply to preventive foot care for Covered Persons with diabetes for which Benefits are provided as described under Diabetes Services in Section 1 of the COC. Nail trimming, cutting, or debriding. Hygienic and preventive maintenance foot care. Examples include: cleaning and soaking the feet; applying skin creams in order to maintain skin tone. This exclusion does not apply to preventive foot care for Covered Persons who are at risk of neurological or vascular disease arising from diseases such as diabetes. Treatment of flat feet. Treatment of subluxation of the foot. Shoes; shoe orthotics; shoe inserts and arch supports.

EXCLUSIONS CONTINUED

Medical Supplies

Prescribed or non-prescribed medical supplies and disposable supplies. Examples include: compression stockings, ace bandages, gauze and dressings, urinary catheters. This exclusion does not apply to:

- Disposable supplies necessary for the effective use of Durable Medical Equipment for which Benefits are provided as described under Durable Medical Equipment in Section 1 of the COC.
- Diabetic supplies for which Benefits are provided as described under Diabetes Services in Section 1 of the COC.
- Ostomy supplies for which Benefits are provided as described under Ostomy Supplies in Section 1 of the COC.

Tubing and masks, except when used with Durable Medical Equipment as described under Durable Medical Equipment in Section 1 of the COC.

Mental Health

Services performed in connection with conditions not classified in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Mental Health Services as treatments for V-code conditions as listed within the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Mental Health Services as treatment for a primary diagnosis of insomnia and other sleep disorders, sexual dysfunction disorders, feeding disorders, neurological disorders and other disorders with a known physical basis. Treatments for the primary diagnoses of learning disabilities, conduct and impulse control disorders, personality disorders and paraphilias. Educational/behavioral services that are focused on primarily building skills and capabilities in communication, social interaction and learning. Tuition for or services that are school-based for children and adolescents under the Individuals with Disabilities Education Act. Learning, motor skills, and primary communication disorders as defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Mental retardation and autism spectrum disorder as a primary diagnosis defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Benefits for autism spectrum disorder as a primary diagnosis are described under Neurobiological Disorders - Autism Spectrum Disorder Services in Section 1 of the COC. Services or supplies for the diagnosis or treatment of Mental Illness, that, in the reasonable judgment of the Mental Health/Substance Use Disorder Designee, are any of the following:

- Not consistent with generally accepted standards of medical practice for the treatment of such conditions.
- Not consistent with services backed by credible research soundly demonstrating that the services or supplies will have a measurable and beneficial health outcome, and therefore considered experimental.
- Not consistent with the Mental Health/Substance Use Disorder Designee's level of care guidelines or best practices as modified from time to time.
- Not clinically appropriate for the patient's Mental Illness or condition based on generally accepted standards of medical practice and benchmarks.

Neurobiological Disorders – Autism Spectrum Disorders

Services as treatments of sexual dysfunction and feeding disorders as listed in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Any treatments or other specialized services designed for Autism Spectrum Disorder that are not backed by credible research demonstrating that the services or supplies have a measurable and beneficial health outcome and therefore considered Experimental or Investigational or Unproven Services. Mental retardation as the primary diagnosis defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Tuition for or services that are school-based for children and adolescents under the Individuals with Disabilities Education Act. Learning, motor skills and primary communication disorders as defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association and which are not a part of Autism Spectrum Disorder. Treatments for the primary diagnoses of learning disabilities, conduct and impulse control disorders, personality disorders and paraphilias. Intensive behavioral therapies such as applied behavioral analysis for Autism Spectrum Disorder, except as described under Autism Spectrum Disorder in Section 1 of the COC. Services or supplies for the diagnosis or treatment of Mental Illness that, in the reasonable judgment of the Mental Health/Substance Use Disorder Designee, are any of the following:

- Not consistent with generally accepted standards of medical practice for the treatment of such conditions.
- Not consistent with services backed by credible research soundly demonstrating that the services or supplies will have a measurable and beneficial health outcome, and therefore considered experimental.
- Not consistent with the Mental Health/Substance Use Disorder Designee's level of care guidelines or best practices as modified from time to time.
- Not clinically appropriate for the patient's Mental Illness or condition based on generally accepted standards of medical practice and benchmarks.

EXCLUSIONS CONTINUED

Nutrition

Individual and group nutritional counseling. This exclusion does not apply to medical nutritional education services that are provided by appropriately licensed or registered health care professionals when both of the following are true:

- Nutritional education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Enteral feedings, even if the sole source of nutrition. This exclusion does not apply to Benefits described under Enteral Formulas in Section 1 of the COC. Infant formula and donor breast milk. Nutritional or cosmetic therapy using high dose or mega quantities of vitamins, minerals or elements and other nutrition-based therapy. Examples include supplements, electrolytes, and foods of any kind (including high protein foods and low carbohydrate foods).

Personal Care, Comfort or Convenience

Television; telephone; beauty/barber service; guest service. Supplies, equipment and similar incidental services and supplies for personal comfort. Examples include: air conditioners, air purifiers and filters, dehumidifiers; batteries and battery chargers; breast pumps (This exclusion does not apply to breast pumps for which Benefits are provided under the Health Resources and Services Administration (HRSA) requirement); car seats; chairs, bath chairs, feeding chairs, toddler chairs, chair lifts, recliners; exercise equipment; home modifications such as elevators, handrails and ramps; hot tubs; humidifiers; Jacuzzis; mattresses; medical alert systems; motorized beds; music devices; personal computers, pillows; power-operated vehicles; radios; saunas; stair lifts and stair glides; strollers; safety equipment; treadmills; vehicle modifications such as van lifts; video players, whirlpools.

Physical Appearance

Cosmetic Procedures. See the definition in Section 9 of the COC. Examples include: pharmacological regimens, nutritional procedures or treatments. Scar or tattoo removal or revision procedures (such as salabrasion, chemoablation and other skin abrasion procedures). Skin abrasion procedures performed as a treatment for acne. Liposuction or removal of fat deposits considered undesirable, including fat accumulation under the male breast and nipple. Treatment for skin wrinkles or any treatment to improve the appearance of the skin. Treatment for spider veins. Hair removal or replacement by any means. Replacement of an existing breast implant if the earlier breast implant was performed as a Cosmetic Procedure. Note: Replacement of an existing breast implant is considered reconstructive if the initial breast implant followed mastectomy. See Reconstructive Procedures in Section 1 of the COC. Treatment of benign gynecomastia (abnormal breast enlargement in males). Physical conditioning programs such as athletic training, body-building, exercise, fitness, flexibility, and diversion or general motivation. Weight loss programs whether or not they are under medical supervision. Weight loss programs for medical reasons are also excluded. Wigs regardless of the reason for the hair loss.

Procedures and Treatments

Excision or elimination of hanging skin on any part of the body. Examples include plastic surgery procedures called abdominoplasty or abdominal panniculectomy, and brachioplasty. Medical and surgical treatment of excessive sweating (hyperhidrosis). Medical and surgical treatment for snoring, except when provided as a part of treatment for documented obstructive sleep apnea. Rehabilitation services and Manipulative Treatment to improve general physical condition that are provided to reduce potential risk factors, where significant therapeutic improvement is not expected, including routine, long-term or maintenance/preventive treatment. Speech therapy except as required for treatment of a speech impediment or speech dysfunction that results from Injury, stroke, cancer, Congenital Anomaly or Autism Spectrum Disorders. Outpatient cognitive rehabilitation therapy except as Medically Necessary following a post-traumatic brain Injury or cerebral vascular accident. Psychosurgery. Sex transformation operations and related services. Physiological modalities and procedures that result in similar or redundant therapeutic effects when performed on the same body region during the same visit or office encounter. Biofeedback. Services for the evaluation and treatment of temporomandibular joint syndrome (TMJ), whether the services are considered to be medical or dental in nature. This exclusion does not apply to Benefits described under Bones or Joints of the Jaw or Facial Region in Section 1 of the COC. Upper and lower jawbone surgery, orthognathic surgery, and jaw alignment. This exclusion does not apply to reconstructive jaw surgery required for Covered Persons because of a Congenital Anomaly, acute traumatic Injury, dislocation, tumors, cancer or obstructive sleep apnea. This exclusion does not apply to Benefits as described under Bones or Joints of the Jaw and Facial Region and Dental Services - Anesthesia and Hospitalization in Section 1 of the COC. Surgical and non-surgical treatment of obesity. Stand-alone multi-disciplinary smoking cessation programs. These are programs that usually include health care providers specializing in smoking cessation and may include a psychologist, social worker or other licensed or certified professional. The programs usually include intensive psychological support, behavior modification techniques and medications to control cravings. Breast reduction surgery except as coverage is required by the Women's Health and Cancer Rights Act of 1998 for which Benefits are described under Reconstructive Procedures in Section 1 of the COC. In vitro fertilization regardless of the reason for treatment.

Providers

Services performed by a provider who is a family member by birth or marriage. Examples include a spouse, brother, sister, parent or child. This includes any service the provider may perform on himself or herself. Services performed by a provider with your same legal residence. Services provided at a free-standing or Hospital-based diagnostic facility without an order written by a Physician or other provider. Services which are self-directed to a free-standing or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider has not been actively involved in your medical care prior to ordering the service, or is not actively involved in your medical care after the service is received. This exclusion does not apply to mammography.

EXCLUSIONS CONTINUED

Reproduction

Health services and associated expenses for infertility treatments, including assisted reproductive technology, regardless of the reason for the treatment. This exclusion does not apply to services required to treat or correct underlying causes of infertility. Surrogate parenting, donor eggs, donor sperm and host uterus. Storage and retrieval of all reproductive materials. Examples include eggs, sperm, testicular tissue and ovarian tissue. The reversal of voluntary sterilization.

Services Provided under Another Plan

Health services for which other coverage is paid under arrangements required by federal, state or local law to be purchased or provided through other arrangements. This includes, but is not limited to, coverage paid by workers' compensation, no-fault auto insurance, or similar legislation. This exclusion does not apply to Enrolling Groups that are not required by law to purchase or provide, through other arrangements, workers' compensation insurance for employees, owners and/or partners. Health services for treatment of military service-related disabilities, when you are legally entitled to other coverage and facilities are reasonably available to you. Health services while on active military duty.

Substance Use Disorders

Services performed in connection with conditions not classified in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Methadone treatment as maintenance, L.A.A.M. (1-Alpha-Acetyl-Methadol), Cyclazocine, or their equivalents. Educational/behavioral services that are focused on primarily building skills and capabilities in communication, social interaction and learning. Services or supplies for the diagnosis or treatment of alcoholism or substance use disorders that, in the reasonable judgment of the Mental Health/Substance Use Disorder Designee, are any of the following:

- Not consistent with generally accepted standards of medical practice for the treatment of such conditions.
- Not consistent with services backed by credible research soundly demonstrating that the services or supplies will have a measurable and beneficial health outcome, and therefore considered experimental.
- Not consistent with the Mental Health/Substance Use Disorder Designee's level of care guidelines or best practices as modified from time to time.
- Not clinically appropriate for the patient's substance use disorder or condition based on generally accepted standards of medical practice and benchmarks.

Transplants

Health services for organ and tissue transplants, except those described under Transplantation Services in Section 1 of the COC. Health services connected with the removal of an organ or tissue from you for purposes of a transplant to another person. (Donor costs that are directly related to organ removal are payable for a transplant through the organ recipient's Benefits under the Policy.) Health services for transplants involving permanent mechanical or animal organs.

Travel

Health services provided in a foreign country, unless required as Emergency Health Services. Travel or transportation expenses, even though prescribed by a Physician. Some travel expenses related to Covered Health Services received from a Designated Facility or Designated Physician may be reimbursed at our discretion. This exclusion does not apply to ambulance transportation for which Benefits are provided as described under Ambulance Services in Section 1 of the COC.

Types of Care

Multi-disciplinary pain management programs provided on an inpatient basis for acute pain or for exacerbation of chronic pain. Custodial care or maintenance care; domiciliary care. Private Duty Nursing. Respite care. This exclusion does not apply to respite care that is part of an integrated hospice care program of services provided to a terminally ill person by a licensed hospice care agency for which Benefits are provided as described under Hospice Care in Section 1 of the COC. Rest cures; services of personal care attendants. Work hardening (individualized treatment programs designed to return a person to work or to prepare a person for specific work).

Vision and Hearing

Purchase cost and fitting charge for eye glasses and contact lenses. Implantable lenses used only to correct a refractive error (such as Intacs corneal implants). Eye exercise or vision therapy. Surgery that is intended to allow you to see better without glasses or other vision correction. Examples include radial keratotomy, laser, and other refractive eye surgery. Bone anchored hearing aids except when either of the following applies: For Covered Persons with craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid. For Covered Persons with hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid. More than one bone anchored hearing aid per Covered Person who meets the above coverage criteria during the entire period of time the Covered Person is enrolled under the Policy. Repairs and/or replacement for a bone anchored hearing aid for Covered Persons who meet the above coverage criteria, other than for malfunctions. Routine vision examinations, including refractive examinations to determine the need for vision correction.

EXCLUSIONS CONTINUED

All Other Exclusions

Health services and supplies that do not meet the definition of a Covered Health Service - see the definition in Section 9 of the COC. Covered Health Services are those health services, including services, supplies, or Pharmaceutical Products, which we determine to be all of the following: Medically Necessary; described as a Covered Health Service in Section 1 of the COC and Schedule of Benefits; and not otherwise excluded in Section 2 of the COC. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments that are otherwise covered under the Policy when: required solely for purposes of school, sports or camp, travel, career or employment, insurance, marriage or adoption; related to judicial or administrative proceedings or orders; conducted for purposes of medical research (This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in Section 1 of the COC); required to obtain or maintain a license of any type. Health services received as a result of war or any act of war, whether declared or undeclared or caused during service in the armed forces of any country. This exclusion does not apply to Covered Persons who are civilians Injured or otherwise affected by war, any act of war, or terrorism in non-war zones. Health services received after the date your coverage under the Policy ends. This applies to all health services, even if the health service is required to treat a medical condition that arose before the date your coverage under the Policy ended. This exclusion does not apply to health services covered under Extended Coverage for Pregnancy or Extended Coverage for Total Disability in Section 4 of the COC. Health services for which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under the Policy. In the event a non-Network provider waives Copayments, Coinsurance and/or any deductible for a particular health service, no Benefits are provided for the health service for which the Copayments, Coinsurance and/or deductible are waived. Charges in excess of Eligible Expenses or in excess of any specified limitation. Long term (more than 30 days) storage. Examples include cryopreservation of tissue, blood and blood products. Autopsy. Foreign language and sign language services. Health services related to a non-Covered Health Service: When a service is not a Covered Health Service, all services related to that non-Covered Health Service are also excluded. This exclusion does not apply to services we would otherwise determine to be Covered Health Services if they are to treat complications that arise from the non-Covered Health Service. For the purpose of this exclusion, a "complication" is an unexpected or unanticipated condition that is superimposed on an existing disease and that affects or modifies the prognosis of the original disease or condition. Examples of a "complication" are bleeding or infections, following a Cosmetic Procedure, that require hospitalization.

| | 100% after you pay a \$40 Copayment per visit. |

Types of Coverage

Network Benefits

Osteoporosis Treatment

Depending upon where the Covered Health Service is provided, Benefits will be the same as those stated under each Covered Health Service category in this Benefit Summary.

Prior Authorization is required as described in your Schedule of Benefits.

Substance Use Disorder Services

Inpatient:

100% after Deductible has been met.

Outpatient:

100% after you pay a \$40 Copayment per visit.

This Benefit Summary is intended only to highlight your Benefits and should not be relied upon to fully determine your coverage. If this Benefit Summary conflicts in any way with the Certificate of Coverage (COC), Riders, and/or Amendments, those documents shall prevail. It is recommended that you review these documents for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

EXCLUSIONS

It is recommended that you review your COC, Amendments and Riders for an exact description of the services and supplies that are covered, those which are excluded or limited, and other terms and conditions of coverage.

Alternative Treatments

Acupressure; acupuncture; aromatherapy; hypnotism; massage therapy; rolfing; art therapy, music therapy, dance therapy, horseback therapy; and other forms of alternative treatment as defined by the National Center for Complementary and Alternative Medicine (NCCAM) of the National Institutes of Health. This exclusion does not apply to Manipulative Treatment and non-manipulative osteopathic care for which Benefits are provided as described in Section 1 of the COC.

Dental

Dental care (which includes dental X-rays, supplies and appliances and all associated expenses, including hospitalizations and anesthesia). This exclusion does not apply to Benefits as described under Bones or Joints of the Jaw and Facial Region and Dental Services – Anesthesia and Hospitalization in Section 1 of the COC. This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services – Accident Only in Section 1 of the COC. This exclusion does not apply to dental care (oral examination, X-rays, extractions and non-surgical elimination of oral infection) required for the direct treatment of a medical condition for which Benefits are available under the Contract, limited to: Transplant preparation; prior to initiation of immunosuppressive drugs; the direct treatment of acute traumatic Injury, cancer or cleft palate. Dental care that is required to treat the effects of a medical condition, but that is not necessary to directly treat the medical condition, is excluded. Examples include treatment of dental caries resulting from dry mouth after radiation treatment or as a result of medication. Endodontics, periodontal surgery and restorative treatment are excluded. Preventive care, diagnosis, treatment of or related to the teeth, jawbones or gums. Examples include: extraction, restoration and replacement of teeth; medical or surgical treatments of dental conditions; and services to improve dental clinical outcomes. This exclusion does not apply to dental services for which Benefits are provided as described under Bones or Joints of the Jaw and Facial Region and Cleft Lip/Cleft Palate in Section 1 of the COC. This exclusion does not apply to accidental-related dental services for which Benefits are provided as described under Dental Services – Accidental Only in Section 1 of the COC. Dental implants, bone grafts and other implant-related procedures. This exclusion does not apply to accident-related dental services for which Benefits are provided as described under Dental Services – Accident Only in Section 1 of the COC. Dental braces (orthodontics). Treatment of congenitally missing, malpositioned, or supernumerary teeth, even if part of a Congenital Anomaly. This exclusion does not apply to dental services for which Benefits are provided as described under Cleft Lip/Cleft Palate in Section 1 of the COC.

Devices, Appliances and Prosthetics

Devices used specifically as safety items or to affect performance in sports-related activities. Orthotic appliances that straighten or re-shape a body part. Examples include foot orthotics and some types of braces, including over-the-counter orthotic braces. Cranial banding. The following items are excluded, even if prescribed by a Physician: blood pressure cuff/monitor; enuresis alarm; non-wearable external defibrillator; trusses and ultrasonic nebulizers. Devices and computers to assist in communication and speech except for speech aid devices and tracheo-esophageal voice devices for which Benefits are provided as described under Durable Medical Equipment in Section 1 of the COC. Oral appliances for snoring. Repairs to prosthetic devices due to misuse, malicious damage or gross neglect. Replacement of prosthetic devices due to misuse, malicious damage or gross neglect or to replace lost or stolen items.

Drugs

Prescription drug products for outpatient use that are filled by a prescription order or refill. Self-injectable medications. This exclusion does not apply to medications which, due to their characteristics (as determined by us), must typically be administered or directly supervised by a qualified provider or licensed/certified health professional in an outpatient setting. This exclusion does not apply to Benefits as described under Diabetes Services in Section 1 of the COC. Non-injectable medications given in a Physician's office. This exclusion does not apply to non-injectable medications that are required in an Emergency and consumed in the Physician's office. Over-the-counter drugs and treatments. Growth hormone therapy.

Experimental, Investigational or Unproven Services

Experimental or Investigational and Unproven Services and all services related to Experimental or Investigational and Unproven Services are excluded. The fact that an Experimental or Investigational or Unproven Service, treatment, device or pharmacological regimen is the only available treatment for a particular condition will not result in Benefits if the procedure is considered to be Experimental or Investigational or Unproven in the treatment of that particular condition. This exclusion does not apply to medically appropriate medications prescribed for the treatment of cancer. The drug must be recognized for the treatment of that indication, and published within a standard reference compendium or recommended in medical literature. This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in Section 1 of the COC.

Foot Care

Routine foot care. Examples include the cutting or removal of corns and calluses. This exclusion does not apply to preventive foot care for Covered Persons with diabetes for which Benefits are provided as described under Diabetes Services in Section 1 of the COC. Nail trimming, cutting, or debriding. Hygienic and preventive maintenance foot care. Examples include: cleaning and soaking the feet; applying skin creams in order to maintain skin tone. This exclusion does not apply to preventive foot care for Covered Persons who are at risk of neurological or vascular disease arising from diseases such as diabetes. Treatment of flat feet. Treatment of subluxation of the foot. Shoes; shoe orthotics; shoe inserts and arch supports.

EXCLUSIONS CONTINUED

Medical Supplies

Prescribed or non-prescribed medical supplies and disposable supplies. Examples include: compression stockings, ace bandages, gauze and dressings, urinary catheters. This exclusion does not apply to:

- Disposable supplies necessary for the effective use of Durable Medical Equipment for which Benefits are provided as described under Durable Medical Equipment in Section 1 of the COC.
- Diabetic supplies for which Benefits are provided as described under Diabetes Services in Section 1 of the COC.
- Ostomy supplies for which Benefits are provided as described under Ostomy Supplies in Section 1 of the COC.

Tubing and masks, except when used with Durable Medical Equipment as described under Durable Medical Equipment in Section 1 of the COC.

Mental Health

Services performed in connection with conditions not classified in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Mental Health Services as treatments for V-code conditions as listed within the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Mental Health Services as treatment for a primary diagnosis of insomnia and other sleep disorders, sexual dysfunction disorders, feeding disorders, neurological disorders and other disorders with a known physical basis. Treatments for the primary diagnoses of learning disabilities, conduct and impulse control disorders, personality disorders and paraphilias. Educational/behavioral services that are focused on primarily building skills and capabilities in communication, social interaction and learning. Tuition for or services that are school-based for children and adolescents under the Individuals with Disabilities Education Act. Learning, motor skills, and primary communication disorders as defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Mental retardation and autism spectrum disorder as a primary diagnosis defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Benefits for autism spectrum disorder as a primary diagnosis are described under Neurobiological Disorders - Autism Spectrum Disorder Services in Section 1 of the COC. Services or supplies for the diagnosis or treatment of Mental Illness, that, in the reasonable judgment of the Mental Health/Substance Use Disorder Designee, are any of the following:

- Not consistent with generally accepted standards of medical practice for the treatment of such conditions.
- Not consistent with services backed by credible research soundly demonstrating that the services or supplies will have a measurable and beneficial health outcome, and therefore considered experimental.
- Not consistent with the Mental Health/Substance Use Disorder Designee's level of care guidelines or best practices as modified from time to time.
- Not clinically appropriate for the patient's Mental Illness or condition based on generally accepted standards of medical practice and benchmarks.

Neurobiological Disorders – Autism Spectrum Disorders

Services as treatments of sexual dysfunction and feeding disorders as listed in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Any treatments or other specialized services designed for Autism Spectrum Disorder that are not backed by credible research demonstrating that the services or supplies have a measurable and beneficial health outcome and therefore considered Experimental or Investigational or Unproven Services. Mental retardation as the primary diagnosis defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Tuition for or services that are school-based for children and adolescents under the Individuals with Disabilities Education Act. Learning, motor skills and primary communication disorders as defined in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association and which are not a part of Autism Spectrum Disorder. Treatments for the primary diagnoses of learning disabilities, conduct and impulse control disorders, personality disorders and paraphilias. Intensive behavioral therapies such as applied behavioral analysis for Autism Spectrum Disorder, except as described under Autism Spectrum Disorder in Section 1 of the COC. Services or supplies for the diagnosis or treatment of Mental Illness that, in the reasonable judgment of the Mental Health/Substance Use Disorder Designee, are any of the following:

- Not consistent with generally accepted standards of medical practice for the treatment of such conditions.
- Not consistent with services backed by credible research soundly demonstrating that the services or supplies will have a measurable and beneficial health outcome, and therefore considered experimental.
- Not consistent with the Mental Health/Substance Use Disorder Designee's level of care guidelines or best practices as modified from time to time.
- Not clinically appropriate for the patient's Mental Illness or condition based on generally accepted standards of medical practice and benchmarks.

EXCLUSIONS CONTINUED

Nutrition

Individual and group nutritional counseling. This exclusion does not apply to medical nutritional education services that are provided by appropriately licensed or registered health care professionals when both of the following are true:

- Nutritional education is required for a disease in which patient self-management is an important component of treatment.
- There exists a knowledge deficit regarding the disease which requires the intervention of a trained health professional.

Enteral feedings, even if the sole source of nutrition. This exclusion does not apply to Benefits described under Enteral Formulas in Section 1 of the COC. Infant formula and donor breast milk. Nutritional or cosmetic therapy using high dose or mega quantities of vitamins, minerals or elements and other nutrition-based therapy. Examples include supplements, electrolytes, and foods of any kind (including high protein foods and low carbohydrate foods).

Personal Care, Comfort or Convenience

Television; telephone; beauty/barber service; guest service. Supplies, equipment and similar incidental services and supplies for personal comfort. Examples include: air conditioners, air purifiers and filters, dehumidifiers; batteries and battery chargers; breast pumps (This exclusion does not apply to breast pumps for which Benefits are provided under the Health Resources and Services Administration (HRSA) requirement); car seats; chairs, bath chairs, feeding chairs, toddler chairs, chair lifts, recliners; exercise equipment; home modifications such as elevators, handrails and ramps; hot tubs; humidifiers; Jacuzzis; mattresses; medical alert systems; motorized beds; music devices; personal computers, pillows; power-operated vehicles; radios; saunas; stair lifts and stair glides; strollers; safety equipment; treadmills; vehicle modifications such as van lifts; video players, whirlpools.

Physical Appearance

Cosmetic Procedures. See the definition in Section 9 of the COC. Examples include: pharmacological regimens, nutritional procedures or treatments. Scar or tattoo removal or revision procedures (such as salabrasion, chemosurgery and other such skin abrasion procedures). Skin abrasion procedures performed as a treatment for acne. Liposuction or removal of fat deposits considered undesirable, including fat accumulation under the male breast and nipple. Treatment for skin wrinkles or any treatment to improve the appearance of the skin. Treatment for spider veins. Hair removal or replacement by any means. Replacement of an existing breast implant if the earlier breast implant was performed as a Cosmetic Procedure. Note: Replacement of an existing breast implant is considered reconstructive if the initial breast implant followed mastectomy. See Reconstructive Procedures in Section 1 of the COC. Treatment of benign gynecomastia (abnormal breast enlargement in males). Physical conditioning programs such as athletic training, body-building, exercise, fitness, flexibility, and diversion or general motivation. Weight loss programs whether or not they are under medical supervision. Weight loss programs for medical reasons are also excluded. Wigs regardless of the reason for the hair loss.

Procedures and Treatments

Excision or elimination of hanging skin on any part of the body. Examples include plastic surgery procedures called abdominoplasty or abdominal panniculectomy, and brachioplasty. Medical and surgical treatment of excessive sweating (hyperhidrosis). Medical and surgical treatment for snoring, except when provided as a part of treatment for documented obstructive sleep apnea. Rehabilitation services and Manipulative Treatment to improve general physical condition that are provided to reduce potential risk factors, where significant therapeutic improvement is not expected, including routine, long-term or maintenance/preventive treatment. Speech therapy except as required for treatment of a speech impediment or speech dysfunction that results from Injury, stroke, cancer, Congenital Anomaly or Autism Spectrum Disorders. Outpatient cognitive rehabilitation therapy except as Medically Necessary following a post-traumatic brain Injury or cerebral vascular accident. Psychosurgery. Sex transformation operations and related services. Physiological modalities and procedures that result in similar or redundant therapeutic effects when performed on the same body region during the same visit or office encounter. Biofeedback. Services for the evaluation and treatment of temporomandibular joint syndrome (TMJ), whether the services are considered to be medical or dental in nature. This exclusion does not apply to Benefits described under Bones or Joints of the Jaw or Facial Region in Section 1 of the COC. Upper and lower jawbone surgery, orthognathic surgery, and jaw alignment. This exclusion does not apply to reconstructive jaw surgery required for Covered Persons because of a Congenital Anomaly, acute traumatic Injury, dislocation, tumors, cancer or obstructive sleep apnea. This exclusion does not apply to Benefits as described under Bones or Joints of the Jaw and Facial Region and Dental Services - Anesthesia and Hospitalization in Section 1 of the COC. Surgical and non-surgical treatment of obesity. Stand-alone multi-disciplinary smoking cessation programs. These are programs that usually include health care providers specializing in smoking cessation and may include a psychologist, social worker or other licensed or certified professional. The programs usually include intensive psychological support, behavior modification techniques and medications to control cravings. Breast reduction surgery except as coverage is required by the Women's Health and Cancer Rights Act of 1998 for which Benefits are described under Reconstructive Procedures in Section 1 of the COC. In vitro fertilization regardless of the reason for treatment.

Providers

Services performed by a provider who is a family member by birth or marriage. Examples include a spouse, brother, sister, parent or child. This includes any service the provider may perform on himself or herself. Services performed by a provider with your same legal residence. Services provided at a free-standing or Hospital-based diagnostic facility without an order written by a Physician or other provider. Services which are self-directed to a free-standing or Hospital-based diagnostic facility. Services ordered by a Physician or other provider who is an employee or representative of a free-standing or Hospital-based diagnostic facility, when that Physician or other provider has not been actively involved in your medical care prior to ordering the service, or is not actively involved in your medical care after the service is received. This exclusion does not apply to mammography.

EXCLUSIONS CONTINUED

Reproduction

Health services and associated expenses for infertility treatments, including assisted reproductive technology, regardless of the reason for the treatment. This exclusion does not apply to services required to treat or correct underlying causes of infertility. Surrogate parenting, donor eggs, donor sperm and host uterus. Storage and retrieval of all reproductive materials. Examples include eggs, sperm, testicular tissue and ovarian tissue. The reversal of voluntary sterilization.

Services Provided under Another Plan

Health services for which other coverage is paid under arrangements required by federal, state or local law to be purchased or provided through other arrangements. This includes coverage paid by workers' compensation, no-fault auto insurance, or similar legislation. This exclusion does not apply to Enrolling Groups that are not required by law to purchase or provide, through other arrangements, workers' compensation insurance for employees, owners and/or partners. Health services for treatment of military service-related disabilities, when you are legally entitled to other coverage and facilities are reasonably available to you. Health services while on active military duty.

Substance Use Disorders

Services performed in connection with conditions not classified in the current edition of the Diagnostic and Statistical Manual of the American Psychiatric Association. Methadone treatment as maintenance, L.A.A.M. (1-Alpha-Acetyl-Methadol), Cyclazocine, or their equivalents. Educational/behavioral services that are focused on primarily building skills and capabilities in communication, social interaction and learning. Services or supplies for the diagnosis or treatment of alcoholism or substance use disorders that, in the reasonable judgment of the Mental Health/Substance Use Disorder Designee, are any of the following:

- Not consistent with generally accepted standards of medical practice for the treatment of such conditions.
- Not consistent with services backed by credible research soundly demonstrating that the services or supplies will have a measurable and beneficial health outcome, and therefore considered experimental.
- Not consistent with the Mental Health/Substance Use Disorder Designee's level of care guidelines or best practices as modified from time to time.
- Not clinically appropriate for the patient's substance use disorder or condition based on generally accepted standards of medical practice and benchmarks.

Transplants

Health services for organ and tissue transplants, except those described under Transplantation Services in Section 1 of the COC. Health services connected with the removal of an organ or tissue from you for purposes of a transplant to another person. (Donor costs that are directly related to organ removal are payable for a transplant through the organ recipient's Benefits under the Contract.) Health services for transplants involving permanent mechanical or animal organs. Transplant services that are not performed at a Designated Facility. This exclusion does not apply to cornea transplants.

Travel

Health services provided in a foreign country, unless required as Emergency Health Services. Travel or transportation expenses, even though prescribed by a Physician. Some travel expenses related to Covered Health Services received from a Designated Facility or Designated Physician may be reimbursed at our discretion. This exclusion does not apply to ambulance transportation for which Benefits are provided as described under Ambulance Services in Section 1 of the COC.

Types of Care

Multi-disciplinary pain management programs provided on an inpatient basis for acute pain or for exacerbation of chronic pain. Custodial care or maintenance care; domiciliary care. Private Duty Nursing. Respite care. This exclusion does not apply to respite care that is part of an integrated hospice care program of services provided to a terminally ill person by a licensed hospice care agency for which Benefits are provided as described under Hospice Care in Section 1 of the COC. Rest cures; services of personal care attendants. Work hardening (individualized treatment programs designed to return a person to work or to prepare a person for specific work).

Vision and Hearing

Purchase cost and fitting charge for eye glasses and contact lenses. Implantable lenses used only to correct a refractive error (such as Intacs corneal implants). Eye exercise or vision therapy. Surgery that is intended to allow you to see better without glasses or other vision correction. Examples include radial keratotomy, laser, and other refractive eye surgery. Bone anchored hearing aids except when either of the following applies: For Covered Persons with craniofacial anomalies whose abnormal or absent ear canals preclude the use of a wearable hearing aid. For Covered Persons with hearing loss of sufficient severity that it would not be adequately remedied by a wearable hearing aid. More than one bone anchored hearing aid per Covered Person who meets the above coverage criteria during the entire period of time the Covered Person is enrolled under the Contract. Repairs and/or replacement for a bone anchored hearing aid for Covered Persons who meet the above coverage criteria, other than for malfunctions. Routine vision examinations, including refractive examinations to determine the need for vision correction.

EXCLUSIONS CONTINUED

All Other Exclusions

Health services and supplies that do not meet the definition of a Covered Health Service - see the definition in Section 9 of the COC. Covered Health Services are those health services, including services, supplies, or Pharmaceutical Products, which we determine to be all of the following: Medically Necessary; described as a Covered Health Service in Section 1 of the COC and Schedule of Benefits; and not otherwise excluded in Section 2 of the COC. Physical, psychiatric or psychological exams, testing, vaccinations, immunizations or treatments that are otherwise covered under the Contract when: required solely for purposes of school, sports or camp, travel, career or employment, insurance, marriage or adoption; related to judicial or administrative proceedings or orders; conducted for purposes of medical research (This exclusion does not apply to Covered Health Services provided during a clinical trial for which Benefits are provided as described under Clinical Trials in Section 1 of the COC); required to obtain or maintain a license of any type. Health services received as a result of war or any act of war, whether declared or undeclared or caused during service in the armed forces of any country. This exclusion does not apply to Covered Persons who are civilians Injured or otherwise affected by war, any act of war, or terrorism in non-war zones. Health services received after the date your coverage under the Contract ends. This applies to all health services, even if the health service is required to treat a medical condition that arose before the date your coverage under the Contract ended. This exclusion does not apply to health services covered under Extended Coverage for Pregnancy or Extended Coverage for Total Disability in Section 4 of the COC. Health services for which you have no legal responsibility to pay, or for which a charge would not ordinarily be made in the absence of coverage under the Contract. In the event a non-Network provider waives Copayments, Coinsurance and/or any deductible for a particular health service, no Benefits are provided for the health service for which the Copayments, Coinsurance and/or deductible are waived. Charges in excess of Eligible Expenses or in excess of any specified limitation. Long term (more than 30 days) storage. Examples include cryopreservation of tissue, blood and blood products. Autopsy. Foreign language and sign language services. Health services related to a non-Covered Health Service: When a service is not a Covered Health Service, all services related to that non-Covered Health Service are also excluded. This exclusion does not apply to services we would otherwise determine to be Covered Health Services if they are to treat complications that arise from the non-Covered Health Service. For the purpose of this exclusion, a "complication" is an unexpected or unanticipated condition that is superimposed on an existing disease and that affects or modifies the prognosis of the original disease or condition. Examples of a "complication" are bleeding or infections, following a Cosmetic Procedure, that require hospitalization.
