Lead and Copper Rule (Reduced Monitoring 2020 Year)  
Lead and Copper Tap Sampling  
Population Served: 3,301-10,000

Dear Ms. Duval;

The Department has received your tri-annual Lead and Copper tap samples for the 2020 monitoring period.

These samples have met the lead and copper action level.  
We look forward to your monitoring results of the next tri-annual period of 2023.

Reminder that the monitoring for lead and copper tap sampling for systems sampling annually or less frequent should be conducted within the months of June through September only.

If you have any further questions, please call our office at (305) 623-3551.

Sincerely,

Reinaldo Caballero
