

## IMPORTANT CONTACT INFO DURING A HURRICANE OR TROPICAL STORM

---

As hurricane season approaches, the following important information and resources are provided to help you stay informed.

-  To report or track an outage: Call 1 800.4.OUTAGE (1 800.468.8243) or visit [www.FPL.com/outage](http://www.FPL.com/outage).
-  For up-to-date news and information regarding our overall restoration progress, go to [www.FPL.com/PowerTracker](http://www.FPL.com/PowerTracker). You can also follow us on Twitter [@insideFPL](https://twitter.com/insideFPL) or on [www.facebook.com/fplconnect](http://www.facebook.com/fplconnect).

Remember, it's important to make preparations before a major storm strikes. If you do not already have storm plans in place, we encourage you to take time now to make plans for home. Visit [FPL.com/storm](http://FPL.com/storm) and see "Prepare for the Storm" to find valuable tips to keep you and your assets safe during a storm.

Thank you and stay safe this storm season.
