Town Manager's Message

The June message thanked many people for their contribution to completing the Community Center. Those same people and more worked 24/7 to meet the Town Commission commitment to open the facility before the summer. On June 19, 2011 the facility opened, culminating in more than 1000 Surfsiders enjoying food, comraderie, swimming, entertainment and a spectacular fireworks display. Again, kudos to Tim Milian and his staff for a wonderful day.

As I look out my office window, the impact of this building on the fabric of our community becomes more and more clear: Early morning lap swimmers, summer camp kids, mothers with little children, late afternoon teenagers, seniors all day and parents after work – all walking across 93rd Street to enjoy the facility and each other. People who haven't seen each other in years renewing old friendships. What could be better? Now our challenge will be to expand programming to more segments of our community. Your ideas will be appreciated.

People ask me how a project of this magnitude is closed out and a full accounting made to the Town Commission. The first step is the development of a "punch list" which defines any construction issues that need resolution to obtain a Permanent Certificate of Occupancy which means that the Building Official and all other regulatory agencies are satisfied that the facility meets all code requirements. We are working on that. The punch list also includes quality of construction matters and compliance with everything required in the specifications. That process is also underway and will most assuredly be the subject of intense discussions between the the contractor, the designer, the

Visit the Farmers Market Every Sunday This Summer

The Surf-Bal-Bay Farmers Market is a success! This tri-community initiative features a wealth of fresh local and organic produce, cut flowers, tropical plants, orchids, fresh baked goods, jams, jellies, specialty oils, vinegar, potpourri, dried herbs/spices, dog treats, pickles, infused vinegars, pasta, gourmet teas and coffees, hummus, handcrafted items, local honey and pollen products, handmade soaps, heirloom tomatoes, marinades and other fine natural products. Selection of items depends weekly upon vendor participation.

The market alternates weekly, year round, between Kane Concourse in Bay Harbor Islands and 95th Street (at Collins Avenue) in Surfside. See the Calendar section for dates and locations. Information is also posted on the Town's website (www.townofsurfsidefl.com) and the Publix bulletin board.

project manager and the Town. This is normal and, when completed, a final change order is presented to the Town Commission for review.

There is no rest for the weary. We are now cranking up the process for building the water, sewer, storm drainage project as well as the new sewer force main on Collins Avenue and the repaving project the entire length of Collins and the two blocks of downtown on Harding. The remaining parking lots (post office lot is done) will also be renovated over the next six months. Thanks to Bill Evans, Public Works Director, and his team for managing these processes so well.

In closing, the Town Commission held a budget workshop on June 23. The workshop was televised. The proposed budget reduces the millage rate, providing real dollar tax relief to most of our residents. There are no rate adjustments proposed for water, sewer and the storm water utility. The workshop lasted nearly four hours and scrutiny by the Town Commission was intense. The complex questions will be answered in six summer studies which become part of the deliberations in two public hearings in September. If needed, the Town Commission will hold a second workshop in August.

As always, thanks to the Town Commission and the citizens of Surfside for the opportunity to be your Town Manager. Enjoy the rest of the summer and come on down to the new Community Center.

-Roger M. Carlton, Town Manager

Grand Opening a Day to Remember

By the scheduled ribbon-cutting time of 1 p.m. several hundred Surfsiders, guests and VIPs were already gathered at the entrance of the Town's new Community Center. Surfside resident and emcee Belkys Neray from Channel 7 welcomed the eager crowd and led Town officials in unveiling of the 75th Anniversary time capsule, the dedication plaques and the ribbon-cutting. With the opening official, the fun and festivities were underway. Children and adults enjoyed the two pools, slides and water features. Food and refreshments were served in the park-like setting between the pool deck and beach.

Attendees received a souvenir commemorative pin and activities throughout the day included a stilt performer, the Miami Dade Fire Rescue Boat, art from local artist Robert Swedroe, historical displays, giveaways, decal tattoos for children, chair massages and a spectacular evening fireworks display.

Town Officials include (L-R) Vice Mayor Joe Graubart, Town Manager Roger Carlton, Commissioner Edward Kopelman, Town Attorney Lynn Dannheisser and Commissioner Michael Karukin.

Emcee Belkys Neray and Mayor Daniel Dietch unveil the time capsule.

A Rich History – An Exciting Future

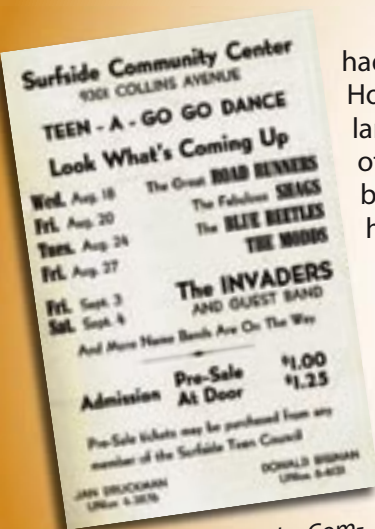

More than 50 years ago, the Town of Surfside put together several parcels of land to assemble 160 feet of ocean-front to build its first Community Center. The site had served mostly as a children's playground for many years. The facility was dedicated on November 11, 1962. Attending the ceremony were celebrities such as actress Jane Mansfield.

Originally conceived as a convention center, the structure had an unusual cantilever roof designed by architect Francis Hoffman. Much like today's Community Center, it included a large pool, kiddie pool, snack bar, multipurpose space and offices. It was only 18 months old when then heavyweight boxing champ Sonny Liston chose the Center to train for a historic match with Cassius Clay (Muhammad Ali).

Over the years, hundreds of community events, meetings, weddings and memorable summer camps took place at the Center.

THE GREATEST: In 1964, Muhammed Ali makes national news when he visits the year-old Surfside Community Center where his opponent Sonny Liston was training for their upcoming boxing match.

THE PLACE TO BE: The Community Center was a magnet for entertainment in the 1960s, with bands lining up to play at teen go-go dances.

The former Community Center (above) and pool area at left.

SURFSIDE COMMUNITY CENTER FEATURES

The new Surfside Community Center will serve the Town and residents in many ways:

- A central civic location for meetings and events with a variety of indoor and outdoor spaces.
- A recreational and relaxation hub with its swimming pools, digital library, Surf Cafe, natural picnic area and beach access.
- A service location with offices for the Parks and Recreation Department and the Tourism Bureau.

Details on the specific features of the Center include:

It contains a large multipurpose room for meetings and activities (see photo at right)
- A 1,000-square-foot all glass space will include a reading room with e-Readers
- **Main Pool:** A large recreational pool with a wide sloped entrance for complete handicap access, five lap lanes for swimming and a curving water slide
- **Sand Dollar Key:** This colorful water playground has a maximum depth of 18 inches. Includes a variety of spray toys, play elements, water play station with two small water slides
- The two pools are connected by a wide ceramic tile mosaic in the pool deck
- A canvas awning to provide shade along the full length of the north side of the pool deck
- Beach access from the Community Center will be through a winding landscaped path.

This extensive landscaped area will include shade trees and picnic tables

- A full concession stand to include breakfast and lunch (see story on the following page)
- A drop-off ramp on Collins Avenue
- A state-of-the-art first aid and lifeguard facility
- Extensive landscaping and palm trees around the pool deck. The expansive deck is made from concrete and shell pavers which are attractive and comfortable
- The main building will house Offices for the Tourism Office and the Parks and Recreation Department
- Rest rooms and changing areas
- New programs will include
 - Swimming Lessons
 - Water Aerobic Classes
 - Recreation Swim Team

Surf Cafe Will Surprise with a Fresh and Tasty Menu

It is rare that a community pool snack bar offers anything more than basic fare for youngsters as they rush from one activity to another.

The new Community Center's Surf Cafe is the exception. Resident David Jacobson, who formerly operated Surfside's Bianca's Gourmet Shop and Piri Piri Gourmet Grill, will be serving a variety of fresh, healthy selections for both kids and adults. He has 25 years of experience as a chef and will be preparing "made to order" items that will ensure quality and integrity of the food.

The Surf Cafe will serve breakfast, lunch and early dinner and also provide catering for parties and special events. They also provide delivery. Be sure to visit the Surf Cafe while at the Community Center.

A sample of the menu includes:

- For kids: chicken tenders, buffalo wings, pizza and hot dogs
- For adults: Express gourmet salads, including Caribbean chicken and Ceasar. A burger bar, chicken and tuna salad sandwiches, grilled cheese and grilled chicken bakkie. Healthy drinks include bottled water, organic wheat grass and fruit smoothies.
- Desserts include crème caramel
- The breakfast menu will be served all day and will include bagels with cream cheese, fresh fruit salad, oatmeal and low-fat vanilla parfait with granola.
- Kosher items will also be available.
