

## MESSAGE FROM THE TOWN MANAGER

### Early Look at the 2017-2018 Town Budget

The Town Commission held its first budget workshop on June 15, 2017 to review the draft of the recommended items by the Town Administration and for the Town Commission to provide policy direction in the development of the Annual Budget for the 2017-2018 fiscal year that begins October 1, 2017.

The preliminary property value estimates issued by the Miami Dade County Property Appraiser indicates that the Town Commission may reduce the property tax millage rate from the current rate of 5.014 per \$1,000 of taxable property value.

The budget focuses on reinvestment into improving Town infrastructure and assets. The Budget Workshop also recommended a planned addition of a police lieutenant position, a maintenance worker position in the Solid Waste Department, a full time code compliance officer for added beach issue compliance and a contracted public information representative to manage public information on current issues and events.

The proposed budget also includes the replacement of three police vehicles, a Public Works bucket truck, funding for planned capital improvements of new street lighting on Harding Avenue downtown, improvements to street ends on the bay side, new beach street end improvements of showers and drainage; and design plans for improvements to the 96th Street Park and for the streetscape of Surfside Boulevard (91st Street).

The Town Commission and Administration look forward to a very productive budget process that residents and business owners will see the results of in the new Fiscal Year.

*- Guillermo Olmedillo, Town Manager*

### Proclamation for Extraordinary Volunteer Julia Magnani

From Halloween block parties to Parks and Recreation programs to raising funds for the Ruth K. Broad Bay Harbor K-8 Center, Julia Magnani has been the leading force behind dozens of projects and initiatives within Surfside and beyond. The Town's proclamation of June 13, 2017 as Julia Magnani Day recognizes the extraordinary volunteerism she has given to Surfside over many years.

*At center is Julia Magnani and her family, school principal Maria Rodriguez and Surfside elected officials and staff.*

## Surfside Receives High Praise On Popular Websites

The Town of Surfside continues to find fame as a wide variety of popular travel and lifestyle websites sing the praises of our municipality.

- Travel site Thrillist named Surfside among its list of "The 13 American Beaches You Need to Hit this Summer." The site told its more than a million readers: *"This little oceanside town north of Miami Beach was until recently the last vestige of "old" Miami Beach. And though Jewish delis, ice cream shops and art deco structures still line Harding Avenue, a wave of new development has made this the coolest new beach in South Florida."* The story went on to mention the new Four Seasons Hotel, FENDI Chateau and the turtle walk sculptures.
- The MSN website included Surfside in its Lifestyle listing of "Beautiful Small Towns We Want to Live In," writing *"...if you love the architecture of Miami but prefer a less-crowded atmosphere, head up to Surfside, known as the town's "Uptown Beachtown."*
- South Florida Business Journal included Surfside in a listing of "25 Best South Florida Neighborhoods."

## Tree City USA Signs Installed

Surfside recently installed the Town's official Tree City USA Arbor Day Foundation signs. The designation shows our commitment in managing public trees and increasing the Town's tree canopy. The two signs are located at the Town's north and south entrances (96th Street & Harding /Collins Avenue and 88th Street). Thanks goes to the Public Works Department for spear-heading this prestigious recognition.

## Drainage System Removes Water From Heavy Rains

The Town of Surfside is one of many coastal communities that can be affected by flooding during a storm. The start of the 2017 hurricane season has proved to be a wet one. Within a few days, communities such as Weston received up to 11 inches of rain, closing the Sawgrass Mills Mall because of flooded parking lots.

How did Surfside fair during the week-long rain period? Although the Town received an estimated 6-8 inches of rain, there was no cause for panic or resulting property damage. Surfside's infrastructure of storm drain pump systems were able to clear the week-long down pour within minutes.

Our success during this extended rain event was partly due to residents who are cognizant in keeping storm drains free of debris and partly because of our the bimonthly street sweeping services. A big thanks also goes out to the Public Works Department staff who were on hand to ensure the system was functioning properly.

## Register for CodeRed Today

Residents are encouraged to sign up for Surfside's Community Notification System, CodeRed. Both general and emergency notifications are sent through this system via telephone, text and/or email. It is a free service for all residents and businesses. Sign up online on the Town's website, [www.townofsurfsidefl.gov](http://www.townofsurfsidefl.gov)

## SURFSIDE ACCESS CHANNEL 93

Surfside's local public access channel to watch Surfside meetings and news is **Channel 93**. It is advisable to purchase a digital box if you do not have one. News and live-streamed meetings are always available at [www.townofsurfsidefl.gov](http://www.townofsurfsidefl.gov).

## Mosquito Spraying Set For Thursday, July 6

Surfside is scheduled to conduct ground-level mosquito control spraying to eliminate adult mosquitoes on **Thursday, July 6, 2017 between 11 pm and 5 am.**

The product is EPA-approved Essentria and will be applied by a certified professionals using an ultra-low volume (ULV) sprayer. The sprayers put out very fine droplets, consisting mostly of water. The amount of insecticide sprayed is miniscule. According to both the EPA and the U.S. Center for Disease Control and Prevention (CDC), when used in such small amounts, it does not pose a health risk to people or pets. Nevertheless, residents and visitors with health concerns should remain indoors during spraying. You will be alerted to the approaching spray by hearing the sound of something similar to a leaf blower and seeing flashing yellow lights. For your comfort, residents should stay indoors with their windows and doors closed at the time scheduled for the spraying. Although this product is environmentally friendly, safe for humans and pets, it is best not to breathe in the material directly. Within minutes, the fog settles and it is safe to re-enter the area.

The spraying reduces the mosquito population within the Town. The CDC, in conjunction with the Florida Department of Health, has recommended mosquito treatments to control and reduce mosquitoes, which may be capable of spreading viruses such as Zika. Surfside will continue to be vigilant and encourages residents to safeguard your property to protect yourself and others. For questions, call the Public Works Director, Randy Stokes, 305-861-4863.

## Street Light Problem? Contact FPL

Surfside residents who have a streetlight that is out or malfunctioning can report the situation on the Florida Power and Light website under Streetlight Trouble Report (fpl.com). Include the pole number. Note that some streetlights in beachfront communities are turned off to protect sea turtles during the nesting and hatching season. If you are reporting a hazardous condition or an outage, **DO NOT** use the Streetlight Report, instead call 1-800-4OUTAGE (1-800-468-8243) to make the report.

## Driver's License Services at Town Hall

Community Outreach Specialists from the Department of Highway Safety and Motor Vehicles will be setting up a mobile DMV at Town Hall on Thursday, August 17 from 10 a.m. to 2 p.m. in the Commission Chambers.

The services provided, fees and documentation required can be reviewed on the Town website.

## COMMUNITY MEETING ON PEDESTRIAN IMPROVEMENTS

**Tuesday, July 18 • Town Hall Commission Chambers, 6 p.m.**

To improve walkability by creating a safer pedestrian environment, the Town of Surfside is proposing a one-way street trial for 89th and 90th Streets.

**For more detailed information and an opportunity for citizen input, a Community Meeting will be held in the Town Hall Commission Chambers at 6 pm on Tuesday, July 18, 2017.**

### NOTE THIS 2017 COMMISSION MEETING DATE CHANGE

Scheduled Date	Re-scheduled Date
December 12, 2017	December 13, 2017

## Registration Required for Short-term Rentals

In 2011, the Town of Surfside enacted a "Short-Term Rental" Ordinance to regulate the rental of residential properties by seasonal residents. The Ordinance requires property owners to complete an "Individual Short-Term Rental Registration for Seasonal Guests" application and pay the required fees. Property owners must agree to the terms and conditions outlined in the Ordinance. A new registration application is required for each new rental period, and property owners are limited to three rentals within a 12 month time period.

Registration is required if the property is simply being advertised on any of the many vacation rental websites such as Airbnb, HomeAway, VRBO or Flipkey. In this case, the registration fee is \$100 and must be paid when

the property is listed for rent. However, this amount will be credited to the first vacation rental that occurs at the property.

The registration fee per rental period is \$100 plus a Resort Tax is due per rental period of four percent of rental fee collected by the property owner from the renter(s). If you are advertising and renting your property through Airbnb, then Airbnb will remit the Resort Tax to the Town on your behalf.

For further information on the Short-Term Rental Ordinance or to obtain a registration application form, please contact the Code Compliance Division at Surfside Town Hall, or call (305) 861-4863, extension 230.

## Finance Department Receives Award for Distinguished Budget

At the July Commission meeting, members of the Surfside Finance Department accepted awards from the Government Finance Officers Association (GFOA) for the Town's recent Distinguished Budget Presentation Award. The award reflects the commitment of the governing body and staff to meeting the highest principles of governmental budgeting.

(L-R) Commissioner Daniel Gielchinsky, Commissioner Michael Karukin, Controller Mayte Gamiotea, Budget Officer Andria Meiri, Mayor Daniel Dietch, Commissioner Tina Paul, Vice Mayor Barry Cohen, Town Attorney Linda Miller and Town Manager Guillermo Olmedillo. Not pictured: Finance Director Donald Nelson and Payroll/AP Clerk Marisol Rodriguez.

## Commission Action at the June 13 Meeting

### RESOLUTIONS

1. Acknowledging the mutual aid agreement between the City of North Miami Police Department and the Town of Surfside Police Department.
2. Authorizing the Mayor to enter into a Memorandum of Understanding between the City of Miami Beach, North Bay Village, the Town of Bay Harbor Islands, the Village of Bal Harbour and the Miami Beach Chamber Education Foundation to implement the Nurse Enhancement Initiative for School Year 2017/2018.
3. Approving the renewal of the interlocal agreement between co-permittees named in National Pollutant Discharge Elimination System Permit No. FIS000003 and Miami-Dade County.
4. Authorizing the Town Manager to enter into a Memorandum of Understanding with the City of Sunny Isles Beach to support a regional hybrid skate

park and pumptrack initiative in Haulover Park, Miami-Dade County with coordination from Miami-Dade County, City of Sunny Isles Beach, City of Miami Beach, Bal Harbour Village and Bay Harbor Islands; amending the Fiscal Year 2016-2017 Annual Budget authorizing the appropriation of up to \$50,000 from the Capital Improvement Fund.

5. Amending the Fiscal Year 2016-2017 Annual Budget; appropriating funds not to exceed the amount of \$45,280 from the Storm Water Fund Reserves for the purchase of Tideflex Checkmate valves from A&B Pipe & Supply.

### ADOPTED THE FOLLOWING ORDINANCE ON SECOND READING

1. Amending Chapter 86 "Waterways"; Article II, "Public Beaches", specifically amending Section 86-26 "Definitions"; specifically amending section 86-31 "Beach Furniture Permit Requirements."

# SURFSIDE FLOOD INFORMATION

## LOCAL FLOOD HAZARD

Storm surge may flood the entire Town. Any storm surges experienced here will most likely be as a result of a hurricane or tropical storm, typically from June 1 through November 30 each year. Other flooding can occur due to heavy rains over a short period of time, especially at times of high tide.

## TOWN FLOOD SERVICES

To assist residents in understanding the National Flood Insurance Program and the effects on construction, remodeling and maintaining buildings, the Town offers the following services to residents: Access to the Flood Insurance Rate Maps to show if our property is in a Special Flood Hazard area, and if it is susceptible to coastal erosion, consultations on the Substantial Damage/Improvement 50% rule, elevation certificates, flood mitigation financial assistance advice, general information and brochures. Town Staff will offer advice and visit properties upon request to review its flood problem and explain ways to stop or prevent flood damage. Please contact the Town's Building Department at (305) 861-4863, Ext. 231.

## DRAINAGE SYSTEM MAINTENANCE

A serious risk to the safety of residents is the blockage of catch basins by debris which prevents proper drainage of storm water. The Town sweeps the streets twice a month and monitors all catch basins after each storm event. As a resident you can help by not placing lawn cuttings or any other debris by the curb on the weekend. This is a violation of the Town Code. Please contact Town Hall (305) 861-4863 if you see or know of anyone illegally dumping materials/debris into any catch basins within the Town.

## FLOOD WARNING SYSTEM

In cases where flooding might occur during emergency situations, local radio and television stations will provide critical information as part of the Emergency Broadcast System. Emergency information and evacuation routes are available through the Miami Dade County Office of Emergency Management, (305) 468-5400 or on the Town's website at [www.townofsurfsidefl.gov](http://www.townofsurfsidefl.gov). In the event of a hurricane, all residents are required to evacuate when ordered by the Mayor of Miami-Dade County. Each resident should make plans well in advance of the emergency. Public emergency shelters should be your last resort. You can call the Surfside Resident Storm Hotline at (305) 993-1070.

## FLOOD SAFETY

Stay away from power lines and electrical wires! The number two flood killer after drowning is electrocution. Electrical current can travel through water.

- Immediately report downed power lines to Florida Power & Light (FPL) at 1-800-468-8243 or to the Town's Police Department (305) 861-4862.
- Look out for animals, especially snakes! Small animals that have been flooded out of their homes may seek shelter in yours.
- Look before you step! After a flood, the ground and floors are covered with debris including broken glass and nails. Floors and stairs that have been covered with mud can be very slippery.
- Be alert for gas leaks! Don't smoke or use candles lanterns or open flames until the gas has been turned off and the area has been ventilated.

## PROPERTY PROTECTION

It is imperative that you know what to do to minimize flood damage. "Flood proofing" means making physical alterations to your building that improves the ability of property and structures to withstand the damages caused by flooding. You should take action now to minimize losses to your property and possessions. Dry flood proofing includes sealing or waterproofing with special materials and compounds which provide a chemical or physical barrier against water intrusion during times of flooding. Construction of a small flood wall or earthen berm, or redirecting drainage to keep water away from the building is another example of property protection. Call the Town Building Department at (305) 861-4863 for more information or search the Miami-Dade County Library for "Flood" information.

## FLOOD INSURANCE

Property losses due to flooding are not covered under standard homeowners' or renters' insurance policies. Two types of flood insurance coverage are available; building and contents coverage. Contents coverage should be purchased by renters. Flood insurance coverage may be mandatory for some mortgage loans. If you don't have flood insurance for your property and its contents, contact your insurance agent. Information is also available from the [www.floodsmart.gov](http://www.floodsmart.gov) website. Don't wait until the next flood is coming to buy flood insurance protection as there is usually a 30-day waiting period before a flood insurance policy takes effect.

## May Officer of the Month Alberto Knight

Surfside officers responding to a domestic disturbance call heard yelling at the rear of the home. Because the house had locked iron gates on the front and sides of the yard, an officer climbed a fence from the neighbor's yard and identified himself to a man by the backyard swimming pool. The man told the officer to leave his property or he would shoot him and then went back inside the house. The man next appeared in the front patio area with a handgun, pacing back and forth and telling the officers to leave. Officer Alberto Knight began talking with the subject, who was upset, irrational and intoxicated. Officer Knight was able to calm the man

Chief David Allen, Officer Alberto Knight.

and get him to put the gun away and unlock the patio gate. The subject was distracted while talking and Officers Knight and Ruiz lunged through the gate and placed the subject in custody. The man had previously assaulted his wife after an argument had become physical. He was arrested and charged with aggravated assault, domestic battery and resisting without violence. The firearm was seized and no one was injured. Officer Knight's tactics with the unstable armed subject resulted in a successful outcome. Congratulations to Officer Alberto Knight as Officer of the Month!

### CIVILIAN OF THE MONTH - MAY

## Parking Enforcement Officer Hans Smith

By assisting to regulate traffic during a power outage and helping apprehend a man who damaged property at a Harding Avenue restaurant, Parking Enforcement Officer Hans Smith was named Civilian of the Month. Hans observed a man cause a disturbance and damage property at a restaurant and radioed in the incident. He then followed the subject on foot and gave updates

Chief Allen, Hans Smith, Lt. John Bambis.

as to the subject's whereabouts until he was apprehended by Officers. Hans's efforts and assistance during the course of the shift are deserving of recognition.

## Citizen Aids Police in Burglary Arrest

Kenneth Gilbert was working in the neighborhood when he saw a suspicious vehicle parked in the driveway of a home. He reported the car to the Police Department. The home was burglarized and the description of the

Chief Allen, Kenneth Gilbert, Lt. Bambis.

vehicle led to the arrest of the burglars. Kenneth was recognized by the Surfside Police Department for keeping an "Eye on Surfside."

## Town Hall Lobby an Official 'Meetup Spot'

The Surfside Police Department is offering a safe place for an internet purchase location for buyers, sellers and their communities. A "Meetup Spot" sign, donated by OfferUp, is now installed in the lobby near the Police Dispatch as a deterrent to criminal intent and activity.

If the parties involved in an internet exchange know law enforcement is watching, they're less likely to engage in a crime. The Surfside Police Department will be a designated location on the OfferUp app as a suggested place to complete an in-person transaction.

## 9th Annual Police Teen Summer Camp

Summer is off to a great start for the youngsters attending the 9th Annual Police Teen Summer Camp program which began June 13. The teenagers received presentations from the Florida Fish & Wildlife Conservation

Commission and a class on courtroom procedures and fundamentals of law from Jason Pizzo, formerly with the State Attorney's Office.

## Surfside Honors and Remembers Fallen Heroes

Residents, veterans and visitors attended a moving Memorial Day ceremony at Surfside's Veterans Park. Mayor Daniel Dietch served as emcee, introducing Rabbi Sholom Loebenstein who gave an invocation and introduced the guest speaker Captain Mark D. Saffold, U.S. Air Force. Also participating were Surfside Commissioners Tina Paul and Michael Karukin as well as the Surfside Police Department Color Guard, local scouts and the Miami Beach Senior High NJROTC. Several veterans spoke about their service in the military before laying a wreath, the playing of Taps and a three-gun salute by the Second Infantry Division of Florida.

## Museum's Public Art Program Brings Beauty to the Beach

Residents and guests enjoyed an opening reception at the Community Center and guided art tours to celebrate the 15 contemporary artworks installed along Surfside's hard pack beach path. The art reproductions are from the permanent collection of the Perez Art Museum Miami (PAMM) and have been installed as part of the museum's Inside|Out Summer program. The event included refreshments, music and arts and crafts. Surfside was selected as one of six Miami-Dade communities to host the art and the first beach front location. The art can be seen from 88th Street to 95th Street and include the works of renown artists such as Robert Rauschenberg and Roy Lichtenstein. The installations include bilingual information about the art and artist.

*This Emilio Perez painting is by the Community Center gate.*

*(L-R) Commissioner Tina Paul, Mayor Daniel Dietch, Inside|Out Coordinator Amanda Bradley and Commissioner Michael Karukin.*

## Kids Enjoy Surfside's Summer Camp Kick-Off

Teen camp for ages 12-15 enjoy field activities such as water balloon toss and a messy pie eating contest.

Summer camp for children ages 6-12 played field activities such as kick ball and a cool break for popsicles.

## FOLLOW THESE GUIDELINES WHEN ENCOUNTERING SEA TURTLES

If you observe an adult sea turtle or hatchling sea turtle on the beach, follow these rules and guidelines:

- **DO NOT** report normal crawling or nesting (digging or laying eggs) to the Florida Fish and Wildlife Conservation Commission (FWCC) unless the turtle is in a dangerous situation or has wandered off the beach.
- Stay away from crawling or nesting sea turtles. Although the urge to observe closely will be great, please resist. Nesting is a critical stage in the sea turtle's life cycle. Please leave them undisturbed.
- **DO REPORT** all stranded (dead or injured) turtles to the FWCC. **NEVER** handle hatchling sea turtles. If you observe hatchlings wandering away from the ocean or the beach, call: 1-888-404-FWCC or \*FWC (Mobile Phone)

## Turtle Nests Abound on Surfside Beach

Tourists are not the only ones visiting Surfside this summer. It is the season for sea turtles to return to their home beach to lay their eggs. As of June 23 there have been at least 10 sea turtle nests confirmed in Surfside this nesting season. From 89th to 95th Street, the nests are marked and roped off to protect the eggs during the incubation period of 45-55 days. The hatchlings will dig their own way out of the nest and crawl into the ocean. (SEE GUIDELINES AT LEFT)
