

Town Manager's Message

Between Labor Day and the High Holy Days, September is a big month for the Town of Surfside. It is also when Town Commission convenes to adopt the Town budget for Fiscal Year 2019 (FY 2019), which begins October 1, 2018 and ends September 30, 2019. However, what some residents may not realize is that budget preparations begin as early as March. This allows for the Mayor and Commission to focus on short-term and long-term strategies, and hear from residents about matters most important to our community.

For FY 2019, Surfside residents can look forward to an adjusted millage rate, resulting in tax savings for property owners. The Town administration continues to enhance service levels and quality of life for our residents. Additionally, the budget plan includes the replacement of aging vehicles and equipment, plus funding for Capital Improvement Projects. Surfside is fortunate to be experiencing a period of great economic strength and is in a strong financial position. Nevertheless, our main objective in FY 2019 is to increase our healthy reserves for long-range financial planning and future needs.

Save the dates for our budget hearing meetings, starting at 5:01 pm in the Town Hall Commission Chambers on September 12 and 26, 2018. There will also be an important presentation of a unsolicited Public-Private Partnership (P3) proposal at a Special Town Commission Meeting on Wednesday, September 26, 2018 at 6 pm (see page 3). We remain committed to delivering a high level of service to the Surfside community.

- Guillermo Olmedillo, Town Manager

CODE COMPLIANCE CORNER

Lawn Watering Limits

Lawn watering is limited all year by the South Florida Water Management District's (SFWMD) year-round landscape irrigation rule and local ordinances. The year-round rule is a component of the SFWMD Comprehensive Water Conservation Program, established to encourage more responsible use of water resources. The Year-Round Rule limits landscape watering to two days a week. Reclaimed water used for irrigation is subject to voluntary watering limits unless restricted by a local government or utility.

Water conservation makes good environmental and financial sense. It protects the water supply and assures there will be water available in the future. Water conservation can also reduce household spending and cuts government expenses. Residents must follow the Miami-Dade County Water Conservation restrictions:

- Watering is not allowed between 10 am and 4 pm.
- Hand-watering with one hose fitted with an automatic shut-off nozzle is allowed for 10 minutes per day for landscape stress relief and to prevent plant die-off.
- Restrictions apply to all users of any water resource within Miami-Dade County, whether from publicly or privately-owned water utility sewer systems, private wells or private connections to surface water bodies.
- Residences and businesses with an **odd-numbered street address (ending in 1,3,5,7,9)** can water on **Wednesdays and Saturdays** from 4 pm to 10 am.
- Residences and businesses with an **even-numbered street address (ending in 0,2,4,6,8)** can water on **Thursdays and Sundays** from 4 pm to 10 am.
- Residents should choose a "watering window" (before 10 am or after 4 pm) for their designated watering days. Avoid irrigation during both time periods on the same day.

There are some exceptions to the restrictions:

- Restrictions do not apply for car and boat washing, pressure cleaning of paved surfaces, decorative fountains and water-based recreation (swimming pools, etc.).
- Users of 100 percent reclaimed water are exempt from restrictions, but encouraged to conserve water.
- Low-volume irrigation, including the use of drop and micro jet systems that apply water directly to plant root zones, is not restricted but is encouraged to be reduced.
- For the first 90-days, newly-planted gardens and landscaping can be watered during the corresponding hours listed above every day except for Fridays

To report water use restriction violations, call 3-1-1 or email to: 311@miamidade.gov. If you have questions concerning lawn watering limits contact the Code Compliance Division at (305) 861-4863, ext. 230 or 233.

POLICE BEAT

OFFICERS OF THE MONTH - JULY 2018

SERGEANT JAY MATELIS

Sgt. Jay Matelis saw a man walking west on 88th Street carrying a backpack at 3:30 am on July 29, 2018. When approached, the man immediately became nervous and Sgt. Matelis requested back-up assistance. He told Sgt. Matelis that he was carrying marijuana to sell. He also admitted to breaking into vehicles in Surfside and was planning to burglarize unlocked vehicles in the residential area. The man was homeless, on probation in Broward County for fraud and had a bench warrant for no valid driver's license. The subject, who had an extensive criminal past, was charged with auto burglary, loitering and prowling, possession of marijuana and the bench warrant. Sgt. Matelis used his observation skills and patrol tactics to arrest a subject that would have victimized countless citizens. Well deserved! Congratulations to Sergeant Jay Matelis as Officer of the Month.

Sgt. Jay Matelis, Chief Julio Yero.

OFFICER LESMES RUIZ

While patrolling in the early morning hours, Officer Lesmes Ruiz saw a vehicle operating with their high beams at 90th Street and Froude Avenue. Officer Ruiz stopped the vehicle, which had four male juveniles and one 18-year-old adult male. They said the car was a rental and then stopped answering questions from the officers. The temporary tag did not match the vehicle and further inquiry revealed it was previously reported stolen in Miami Gardens. All five occupants of the vehicle were immediately handcuffed. Officer Ruiz was vigilant and proactive while patrolling, ultimately leading to the arrest of five criminals and charging them with grand theft and recovering a stolen vehicle. Well deserved! Congratulations to Officer Lesmes Ruiz as Officer of the Month.

Officer Lesmes Ruiz, Chief Julio Yero.

Nicolas Reinoso, a lifeguard at the Surfside Aquatics Center, demonstrated professionalism and the ability to work under pressure when a patron at the Community Center had a severe allergic reaction and required an EpiPen injection. Nicolas and the other guards on duty, John Franklin, Andres Sassi and Sebastian Pena, are all recognized for a job well done! The event emphasizes the importance of children who need EpiPens to have them available at all times.
